Culture and Foreign Language Education Wai Meng Chan, Sunil Kumar Bhatt, Masanori Nagami, Izumi Walker, 2015-07-31 The teaching of culture and interculturality is today viewed as an integral part of foreign language education This book presents insights from recent research on the role of culture in second foreign and heritage language education It contains 14 chapters including an introductory chapter that discusses diachronically the evolving notion of culture and how the sociocultural view of culture as a complex and dynamic concept informs language teaching and language learning research The chapters following the introduction are organised in four parts focusing on 1 the teacher s role in integrated language and culture learning 2 the interrelationship between culture identity and language learning and use 3 the effect of culture on learner characteristics which impact language learning processes and outcomes and 4 curriculum development aimed at fostering language and culture learning The chapters in Parts 1 to 3 present contributions from current research either in

the form of the authors original studies or comprehensive reviews of relevant essential research which bears important implications for curricular practice in foreign language and language teacher education This close link between research theory and practice is also maintained in the two chapters in Part 4 which present developmental projects based on well grounded theoretical frameworks

**The Abramelin Diaries** Ramsey Dukes, 2018-11-19 The Book of the Sacred Magic of Abramelin the Mage is a 15th century grimoire or book of magic that includes instructions on how an individual can make contact with their Holy Guardian Angel Although the instructions may seem quite simple few have managed to complete the operation even the highly experienced occultist Aleister Crowley failed to do so Over a six month period in 1977 Ramsey Dukes attempted this Abramelin operation The challenge was to adapt the ritual to twentieth century conditions and The Abramelin Diaries is his record of the struggle and the outcome Looking forward the book offers practical advice for anyone wanting to attempt this notorious operation themselves Looking back the author comments on the operation s legacy what happened after how it changed and continues to impact him and his life Is spiritual retirement still relevant today Or is it just nostalgia for a simpler more meaningful lifestyle Why does technological empowerment threaten our sense of purpose Many intriguing questions are raised as we read of one man s struggle to shape a simple significant lifestyle routine from the chaos of normality
