Teaching The Road To Emmaus To Kids:

On the Road To Emmaus Rev. Fr. Abjar Bahkou, Ph.D.,2011-05-31 this curricula is part of my personal journey I poured my heart and spirit into it It is not a pure theological essay but a blend of experience and theology The fathers of the Church throughout history underlined two important conditions in studying the Bible and writing theology the first is to read the Bible communally within Christ s body the Church The exegesis is an ecclesial task that takes place within the Church and for the Church The second is to read the Bible within the context of practice of prayer worship and spiritual formation The fathers insisted on the connection between spiritual well being life in the Church and commentary on the Church book I have faithfully endeavored to follow the instructions of the fathers My hope is that the reader of this book or the group that will share this journey will realize that this voyage is the culmination of almost 10 years of daily reflection and analysis of the problems that our teenagers face in their daily lives It is the reply to many prayers and personal devotions Its ultimate purpose is to help our youth build a personal and intimate relationship with our Lord Jesus Christ *365 Devotions for Boys* B&H Kids Editorial Staff,2015-11-01 How Many Days Can You Give to God These 365 devotions and Scriptures can help you give every day of the year to God See what the Bible says about such relevant topics as friendship bullying fear making choices anger and so much more There s no better way to become a young man of God than to spend time each day with the One who matters most **Experiencing God at Home Day by Day** Tom Blackaby,Rick Osborne,2013-10 An enriching 365 day devotional the whole family can enjoy that helps parents create a daily time of worship together and guide their children toward a personal relationship with Jesus **The Christian Educator's Handbook on Spiritual Formation** Kenneth O. Gangel,James C. Wilhoit,1998-02-01 Provides the help Christians need to understand and pursue spiritual growth The Road to Emmaus Jim Forest,2007 In an age of tourism the great challenge is to see ourselves at a deeper level the dimension of pilgrimage Being a pilgrim might involve a journey to distant places associated with God revealing events but it has more to do with simply living day by day in a God attentive way Jim Forests book assists the reader to see ones life as an opportunity for pilgrimage whether in places as familiar as your living room or walking the pilgrim path to Santiago de Compostela Drawing on the wisdom of the saints and his own wide ranging travels Forest leads us to a range of thin places including Iona Jerusalem the secret annex of Anne Frank the experience of illness the practice of hospitality and other places and occasions where we may find ourselves surprised by grace *Band of Angels* Lester Monroe,2022-06-22 Band of Angels is mainly about three individuals John Wesley Thomas a pastor Jason McLeod a husband and father and Thirkiel a leader of a Band of Angels of the Heavenly Host The pastor tries desperately to impart what the Bible teaches and The Lord Jesus has left here on what is necessary for each Christian to live forever in Heaven in the Kingdom of God Through many teachings each Sunday the pastor goes into the depths of the Word of God Jason s upbringing did not teach him what it actually meant to be a Christian only that to him it was enough for him to be called himself a Christian by going to church every Sunday and

believing that Mary had a Son named Jesus who was the Christ Thirkiel is an Angel of the Heavenly Host He is the leader of the Band of Angels whose headquarters was in the attic of the pastor's church unknown and unseen by the pastor and the congregation Jason finally learns what it really means to be a born again believer one day too late Fieldnotes Vol.2 John R. Cross, 2016-11-30 More stories to tell All around the world ordinary believers are taking their roles as ambassadors for Christ seriously In their everyday lives they keep their eyes and ears open for opportunities to share the gospel message Sometimes the encounters are brief all they do is give away a book Other times believers are given the time to lead a friend through a study In many instances these opportunities result in people coming to faith in Jesus Christ We are thankful that these testimonies involving GoodSeed resources have come to us and we rejoice in what God has done This second volume of Fieldnotes shares more of these precious stories Read them and be encouraged Praise God and rejoice with us and glean ideas on how you too can be an ambassador for Christ **Christian Writers' Market Guide 2005** Sally Stuart, 2005-01-11 Now updated for 2009 comes one of the most comprehensive marketing resources for Christian writers with information on agents editors publisher guidelines specialty markets and more Missional Youth Ministry Brian Kirk, Jacob Thorne, 2011-06-07 The mainline church in the past few decades has witnessed a ghettoization of youth within the church segregating them off to a particular room perhaps in the basement where they engage in ministry in isolation from the rest of the congregation They are assigned a youth minister or youth director often the staff person with the least experience freeing up the real ministers to serve the adults in the church They seldom serve on church boards or governing bodies in anything other than a cursory manner Their leadership in worship is limited to one special Sunday a year their activities seen more as programming than ministry and their place often described as the church of the future rather than the body of Christ in the here and now For decades youth ministry in mainline churches has been program driven assuming that the primary function of youth ministry was to use activities and events to attract young people to church and keep them occupied until they were ready to be adult members in the faith In recent years it has become increasingly obvious that this paradigm has failed to develop youth as life long participants in the Christian church and in the Christian faith The result of such a model of ministry is that youth come to see church only as those segregated activities reserved for teenagers most of which bear little resemblance to the practices of the rest of church life Consequently when youth graduate from high school and youth group they perceive that their most meaningful church experiences are ended Mainline congregations are now seeing the evidence of the real lack of impact of their youth ministries as the population of young adults in churches continues to shrink even those young adults who were once regular participants in church youth group programs In short the program driven model of youth ministry has failed to help youth find their place within the mission of the Church Rethinking Youth Ministry critiques this older paradigm and invites the reader into a dialogue to help rethink many of the deepest assumptions of youth ministry in the mainline church We challenge the consumerist goal of judging a youth ministry's success by the number of its

participants We push back against the notion that a youth ministry is the sum total of the events on the calendar We rethink the place of volunteers and parents calling for a greater role of adults as spiritual mentors in the lives of church youth We send out a call for greater understanding of modern methods of teaching and the impact of brain research on the intellectual and spiritual development of youth and we re imagine a new role for mission within youth ministry which calls youth to see mission not as isolated activities but as the very heart of their faith journey Rethinking Youth Ministry serves as a theological companion and practical guide for all those working in the trenches of youth ministry who are seeking to offer students a deeper more consequential and active life long relationship with God through the ministry of Jesus Christ *This Way to Youth Ministry* Duffy Robbins,2004 Practical applications theological foundations and valuable information for the student beginning a youth ministry *Temporary Stages III* Jo Beth Gonzalez,2025-09-01 Theatre activities ask adolescents to empathize with those who are different from themselves Recognizing divergence invites self reflection and kindles compassion These actions tap students inner cores while at the same time deepening their understanding of privilege a key component of critical consciousness Through the lens of critical pedagogy and feminist theory this book explores the mutually reinforcing development of spirituality and emerging critical consciousness fostered by high school theatre experience By examining her own public high school theatre program through description analysis and interpretation Gonzalez explores why and how theatre work can simultaneously fortify teens spiritual growth while activating dawning awareness of the socio political dynamics in their own lives and the world around them The book includes the original one act play Free to Fly which introduces young people to the dangers of sex trafficking of minors Temporary Stages III will appeal especially to secondary theatre teachers theatre education pre service teachers and graduate students studying theatre pedagogy and critical cultural theory **Bowker's Directory of Videocassettes for Children 1999** R R Bowker Publishing,Bowker,1999-03 Come and See KIDS: In the Beginning Laurie Watson Manhardt,2007-10-01 Come and See KIDS In the Beginning written for pre school and early elementary school children is fun and easy to use The content is biblical and solidly Catholic Follow the lives of famous Genesis biblical characters from Adam and Eve to Noah from Abraham to Isaac from Jacob to Joseph *Kingdom Come* Jason Byassee,Jeremy Kidwell,Jonathan Wilson-Hartgrove,Leah Wilson-Hartgrove,2022-09-19 For four decades the Rev Dr Jonathan R Wilson has cultivated an imagination for kingdom realism as a pastor teacher theologian and friend To celebrate his seventieth birthday Kingdom Come has gathered reflections from fellow theologians popular authors poets and practitioners to mark both the range of Wilson s influence on the Christian church and the consistency of his prayer and work for God s kingdom to come here on earth as it is in heaven With contributions from Isaac Villegas Reggie Williams Willie Jennings Stanley Hauerwas Greg Jones Tim Dickau Chandra Mallampalli Reinhard Hutter Axel Schoeber John Berkman Phil Kenneson AKM Adam Margaret Adam Craig Smith Jen Harvey Jeff Greenman Loren Wilkinson Marilyn McEntyre Anna Robbins Terry Smith Munyamasoko Gato Corneil Mike Pears

James Purves Danny Zacharias Mike Swalm Susan Phillips Ross Lockhart Ross Hastings Matt Humphrey Peter Harris Anthony Brown Phil Rolnick Andrew Shepherd Chris Hall Joy Banks Christopher Johnston Soohwan Park **Building a Youth Ministry that Builds Disciples** Duffy Robbins, 2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they're doing right now in the youth group the reality is that the most important thing they are doing won't actually be evident until much later That's because the biggest challenge for any youth ministry is helping teens embrace a whole hearted devotion to God that lasts far beyond their years in the youth room Unfortunately much of youth ministry seems to be designed on the model of setting teenagers up for a date with God a delightful evening that involves music laughter food and light conversation But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers In this concise book ideal for busy youth workers they'll be equipped to build a youth ministry that instills that lasting faith in its students **Raising Disciples** Teresa Roberts, 2024-10-08 Every child from infancy to adolescence is being discipled by someone or something The question is Are you willing to disciple them for Jesus sake Accessible and actionable for parents of children birth to 13 years old Raising Disciples offers a detailed discipleship map and directional markers to nurture your child's spiritual growth with Christ During her more than 25 years in children's ministry alongside her academic work training up children's ministry leaders Dr Teresa Roberts noticed that parents and even children's ministry leaders seemed to struggle with knowing how to disciple children past the more intuitive preschool ages A foundational family and ministry resource Raising Disciples reflects the developmental needs that will empower children to grow in their knowledge of God's Word develop a vocabulary of faith engage in spiritual practices and cultivate a deep personal relationship with God Featuring intuitive quick reference visual aids researched expertise real life examples from the ministry of Jesus and relational warmth Raising Disciples is a must have resource to give you a discipleship pathway for raising spiritually grounded children in today's complex world Includes additional tools Discipleship map from birth to adolescence Discipleship reference by age level Resource list for continued discipleship and training in biblical interpretation Discussion questions for children's ministry leaders and volunteers Learn how to equip your child with tools to navigate life's challenges and make their Christian faith a personal and lasting commitment **Cloister Talks** Jon M.
