Teacher Interview Questions and Answers is an excellent workbook containing over 50 sample questions and answers to the toughest teacher interview questions posed. There is an explanation of each question and tips and advice on how to respond. In addition, there is a sample response for many of the questions that you can use as an aid to structure your own. In a tough careers job market, it is essential that you structure your responses in line with the Job Description and Person Specification, and this guide will show you how to do this to great effect.

Effective Teacher Hiring Kenneth D. Peterson, 2002-10-15 To get the very best teachers for your school or district, you have to hire the best. Unfortunately, most educators have had very little, if any, training in how to screen potential employees and ensure that only the best available candidates are ultimately chosen. Here's a guide with all of the steps and strategies you need, including:

- Six principles of good teacher hiring
- Basics of creating a selection committee and ensuring a broad diversity of candidates
- Stages of the screening process
- Sample recruitment flyers, contracts, and interview questions
- Legal issues related to hiring

An innovative teacher selection framework provides for checks and balances at every turn and guarantees students and parents a voice in the process. The framework is flexible enough to use in school systems large or small. Note: This product listing is for the Adobe Acrobat PDF version of the book.
