Brooks, Jonda C. McNair, 2008 Serious scholarship on African American children's and young adult literature is a relatively recent phenomenon To date only a handful of book length works aside from doctoral dissertations have been devoted to the exploration of this body of work and the historical works that are at its foundation *Embracing Evaluating and Examining African American Children's and Young Adult Literature* features 12 original essays that present research related to African American children's literature books intended for youth that are written by and about African Americans conducted by scholars from leading academic institutions Editors Wanda M Brooks and Jonda C McNair offer a bouquet of diverse perspectives on African American children's and young adult literature focusing attention on texts on readers and on pedagogical strategies that have the potential to bring the texts and the readers together Beginning with a foreword by one of the leading scholars in the field of African American children's and young adult literature Rudine Sims Bishop the varied disciplinary perspectives put forth in this book will inspire others to embrace evaluate and examine African American children's and young adult literature for many years to come **Sharon Draper**

Therese M. Shea,2016-12-15 Sharon Draper is a celebrated educator and author Her readers from elementary school children to young adults connect with her characters who often face real world challenges such as addiction in 1995 s Tears of a Tiger and cerebral palsy in 2010 s Out of My Mind Full of fascinating details full color photographs and insightful quotations from Draper this simple yet informative text will show readers how a love of books from an early age inspired a young girl to become a writer and teacher who has touched the lives of millions of young people around the world **The Perfect Norm** Sandra Vavra,Sharon L. Spencer,2009-02-01 Our goal in writing this book was to validate teachers for strong efforts in their life s work We often observe teachers frustrations with what they perceive to be a multitude of different hot topics in education that they must attend to now but which they expect to come and go like the last hot topics So we wanted to help readers see similarities between many of these hot topics differentiation multiple intelligences culturally responsive teaching brain friendly strategies authentic assessment and ethical classroom management which we feel are not flashes in the pan And we trust that serious practitioners will not oversimplify the findings of neuroscientists and their application to education Reading studies and books by scientists a number of which are user friendly can help ensure that teachers separate the hype from credible information We have seen this professionally judicious approach in the work of graduate students Kolinski 2007 in adopting brain friendly strategies We have intentionally packed both theoretical research based and practical information in this book because professional educators want to know why they should use certain approaches models and strategies In turn as professionals we should be able to explain why we teach the way we do not to justify but to educate others about our knowledge based reflective decision making processes and the impact on student learning Thus it is important to read Chapter 1 because it lays a foundation Each succeeding chapter 2 6 has unique and compelling twists and turns chock full of ideas to use or to adapt It is possible to gain lots of ideas processes and strategies from reading and implementing or adapting even one of the unit chapters or a part of it While some of the units are explicitly about literacy others focus on content using reading writing speaking and listening as critical in the learning process Thus literacy skills are reinforced and strengthened Additionally some of our colleagues and public school partners have given us feedback that they wanted to implement some of the units and activities themselves So feel free to use this book for self exploration and professional development *A Study Guide for Sharon M. Draper's "Tears of a Tiger"* Cengage Learning Gale,2017-07-25 A Study Guide for Sharon M Draper s Tears of a Tiger excerpted from Gale s acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs [Black Authors and Illustrators of Books for Children and Young Adults](#) Barbara Thrash Murphy,Deborah L. **Quality Education as a Constitutional Right** Theresa Perry, Robert P. Moses, Ernesto Cortes, Jr., Lisa Delpit, Joan T. Wynne, 2010-10-13 In 2005 famed civil rights leader and education activist Robert Moses invited one hundred prominent African American and Latino intellectuals and activists to meet to discuss a proposal for a campaign to guarantee a quality education for all children as a constitutional right a movement that would transform current approaches to educational inequity all of which have failed miserably to yield results for our children The response was passionate and the meeting launched a movement This book emerging directly from that effort reports on what has happened since and calls for a new scale of organizing legal initiatives and public definitions of what a quality education is Essays include Robert Moses's historically rooted call for citizens especially young people to make the demand for quality education Ernesto Cortes's view from decades of work organizing Latino communities in Texas Charles Payne's interview with students from the Baltimore Algebra Project who organized to make historic demands on their district Legal scholar Imani Perry's nuanced analysis of the prospects of making a case for quality education as a right guaranteed by the Constitution Perspectives from scholars Lisa Delpit and Joan T. Wynne and by teachers Alicia Carroll and Kim Parker who provide examples of what quality education is describing its goal and how to guide practice in the meantime *Biography Today 1999 Annual Cumulation* Laurie Lanzetta Harris, Cherie D. Abbey, 1999-12 Biographical profiles written especially for young readers ages 9 and above *Expecting Excellence in Urban Schools* Jelani Jabari, 2013-04-17 A seven step plan for really engaging our urban students Every day thousands of students sit in our city classrooms emotionally intellectually and behaviorally disengaged Teachers have their success stories still the ability to create and sustain an engaging practice remains elusive This important book offers new hope Drawing on his more than twenty years of experience working with high poverty urban minority students Jelani Jabari delivers Seven cohesive steps for planning delivering and reflecting on captivating learning experiences Techniques for gathering critical information about your students to forge deeper connections Strategies to transform students perceived deficits into instructional assets An emphasis on teaching methods and classroom culture not simply standards and accountability The INSPIRE process will take you beyond discrete isolated techniques to develop a comprehensive approach to building students personal and academic success You'll quickly discover that there's no better guide to implementing real and lasting change in our toughest classrooms **E-BOOK EOB for Tears of a Tiger** Novel Units, Inc.
