The A.I. Marketer Andrew W. Pearson, 2019-04-15 We seem to be living in the age of A I Everywhere you look companies are touting their most recent A I machine learning and deep learning breakthroughs even when they are far short of anything that could be touted as a breakthrough A I has eclipsed Blockchain and Crypto as the buzzword of today Indeed one of the best ways to raise VC funding is to stick AI or ML at the front of your prospectus and ai at the end of your website Separating fact from fiction is more important than it has ever been The A I Marketer breaks down A I machine learning and deep learning into five unique use cases sound time series text image and video and also reveals how marketing executives can utilize this powerful technology to help them more finely tune their marketing campaigns better segment their customers increase lead generation and foster strong customer loyalty Today Personalization the process of utilizing mobile social geo location data web morphing context and even affective computing to tailor messages and experiences to an individual interacting with them is becoming the optimum word in a radically new customer intelligence environment The A I Marketer explains this complex technology in simple to understand terms and then shows how marketers can utilize the psychology of personalization with A I to both create more effective marketing campaigns as well as increase customer loyalty Pearson shows companies how to avoid Adobe s warning of not using industrial age technology in the digital era Pearson also reveals how to create a platform of technology that seamlessly integrates EDW and real time streaming data with social media content Analytical models and neural nets can then be built on both commercial and open source technology to better understand the customer thereby strengthening the brand and just as importantly increasing ROI

Tyler Perry Janice D. Hamlet, 2019-09-25 A career spanning volume Tyler Perry Interviews collects sixteen interviews ranging from the early 2000s to 2018 Once a destitute and struggling playwright Tyler Perry b 1969 is now a multimedia phenomenon and one of the most lucrative auteurs in Hollywood Known for his unwavering and audacious rhetorical style Perry has produced an impressive body of work by rejecting Hollywood s procedures and following his personal template Featuring mostly African American actors and centering primarily on women Perry s films lace drama and comedy with Christianity Despite the skepticism of Hollywood executives who claimed that church going black people do not go to the movies Perry achieved critical success with the release of his first film Diary of a Mad Black Woman which became the US s highest grossing movie of 2005 With his movies Perry has discovered an untapped audience for the stories he has to offer stories about adversity faith family and redemption Critics including African American filmmaker Spike Lee have censured Perry s work for being repetitive and reinforcing negative stereotypes that have long plagued the African American community Supporters however praise Perry for creating films that allow his audience to see themselves onscreen Regardless of how his films are received Perry s accomplishments establishing the Tyler Perry brand building one of the largest movie studios in the country employing more African Americans in front of and behind the camera than any other studio and creating cinematic content for audiences

other filmmakers have ignored undeniably establish him as one of the most powerful multimedia moguls in the country
