100 Recipes America's Test Kitchen, 2015-10-13 A provocative handpicked collection of

relevant and surprising essential recipes for today's cook. We have countless recipes at our disposal today but what are the real keepers, the ones that don't just feed us when we're hungry or impress our friends on Saturday night but inspire us to get into the kitchen. At the forefront of American cooking for more than 20 years, the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else: *100 Recipes Everyone Should Know How to Make*. Organized into three recipe sections: Absolute Essentials, Surprising Essentials, and Global Essentials, each recipe is preceded by a thought-provoking essay that positions the dish. For example, "Treating Pasta Like Rice Simplifies Everything," "A Covered Pot Is a Surprisingly Good Place to Roast a Chicken," and "Reimagine Pie in a Skillet to Simplify the Process." You'll find useful workday recipes like a killer tomato sauce that's almost as easy as opening a jar of the store-bought stuff, genius techniques for producing amazing flavor (try poaching chicken breasts over a garlic and soy-spiked brine), trust us, it's that good, and familiar favorites reinvigorated (the best beef stew comes from Spain and it's even easier to make than the stateside stew you've been eating for years). Gorgeous photography shot right in the test kitchen accompanies every recipe, revealing the finished dish as well as highlights of its preparation. Likely to stir debate among anyone interested in food and cooking, *100 Recipes Everyone Should Know How to Make* provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen.

Growing Up Keto Kristie Sullivan, 2020-11-10. Bestselling author Kristie Sullivan teamed up with her teenage kids, Grace and Jonathan, to deliver the ultimate keto family cookbook. *Growing Up Keto*. This inspiring book stems from Kristie's personal struggles with growing up obese and then finally finding the right nutritional path for herself and eventually her family. The keto lifestyle proved to be the right fit for Kristie, who experienced dramatic weight loss and optimized health. Above and beyond being a success story, Kristie is a busy working mom who is devoted to the health of her two children. When she saw her own daughter begin to struggle with weight just as she had as a child, Kristie committed to supporting her by providing delicious low-carb options focusing on health instead of weight and setting an example. With her mother's guidance, Grace made the choice to adopt a keto lifestyle herself, and later on, Jonathan did as well. After years of success, the Sullivan family brings you a first of its kind cookbook dedicated to young adults, teens, kids, and you guessed it, their parents. *Growing Up Keto* combines the Sullivans' heartwarming family narrative with a practical, safe, and kid-friendly approach to adopting a low-carb, ketogenic lifestyle. The recipes featured in the book were created with the health needs and tastes of kids and teens in mind. Some are so simple that youngsters can take over in the kitchen with little or no help from Mom or Dad. There are also recipes for celebrations with extended family and friends and meals that parents and kids can cook together, making even simple weeknight dinners more fun. Kristie also includes useful tools and information for parents of kids who eat keto, such as tips

and tricks for surviving sleepovers camp and other social activities that involve food as well as a guide to helping kids make independent and informed choices for a lifetime of healthy eating Growing Up Keto is complete with breakfasts including quick morning meals lunches including handy tips on packing for school and overnight trips main dishes including celebratory meals and of course classic desserts that kids love With plenty of options for a wide range of palates Kristie Grace and Jonathan leave nothing out Kids and adults alike will feel satisfied happy and healthy Sample recipes include Sheet Pan Blueberry Pancakes Three Amigos Dip Roasted Marinated Cheese Pizza Soup Sheet Pan Fajitas Marinated Beef Kabobs Cashew Chicken Double Stuffed Chocolate Waffle Dessert Pumpkin Spice Roll and many more *New Jersey Fresh* Rachel Weston, 2015 Published by American Palate a division of The History Press Title page verso *Simple Weeknight Favorites* America's Test Kitchen, 2012-03-01 200 meals you won't believe you're eating on a weeknight Most quick recipe collections promise a lot but deliver very little Bland uninspired dishes may be fast but will you make them again And clever gimmicks sound great but in reality they rarely make much sense The team at America's Test Kitchen has created more than 200 easy to make 30 minute recipes that guarantee impressive results from a minimum of effort With a little test kitchen know how we found ways to make naturally fast dishes even faster and traditionally slow cooked dinners a weeknight option But one thing we never did was settle on shortcuts that shortchanged flavor Some compromises simply aren't worth making and a few extra minutes of cooking translate to time well spent No matter the path taken every recipe in this book is foolproof full flavored and fast It's time to make weeknight dinner interesting again
