Addiction Recovery Workbook Dallas Bennett, 2014-04-25 This is the workbook that goes with my first book *Midbrain and The Beast* Over the past twenty years while working as a substance abuse counselor and helping people who struggle with drug and alcohol addiction some making it and some not I ve learned a few things about what works and what doesn t During the last few years I ve been focusing most of my efforts toward something I feel is very important to long term success And the success I m referring to means a lot more than just sobriety Anyone can quit drinking and drugging A ten year old child can

tell you how to quit drinking and drugging Quitting is the easy part Staying clean and sober that s the difficult part The biggest challenge for most people is living life on life s terms without turning to a mood altering chemical And how to do that is what I m going to share with you in this workbook We ll get into the details of what separates the winners from the losers Some people don t like when I use the word loser However the reality is if you relapse you will increase your chances of losing this game called life If you want to be successful do what successful people do go where they go and learn what they learn Successful people in recovery are willing to do what the unsuccessful people won t do This separates the men from the boys the mature women from the little girls As you complete this small workbook program you ll notice I like to keep things simple I do it this way mainly so I can understand it and then explain things in a way you can understand it Then you can gain the knowledge and apply it to your life We ve all heard that knowledge is power Well I ve learned that applied knowledge is real power And power means the ability to make things happen to get something done So let s get started

**The Circle of Life** K. J. Nivins, 2009-12 The Circle of Life Alcoholic Recovery Workbook, Revised July 2011, is a guide for recovery from alcoholism. In our workbook, we discuss and work through the 12-Step recovery process. Alcoholism is a disease of the body, mind, and spirit. This is the experience of many of us who are in recovery from alcoholism; our strength is the result of being sponsored through the 12 Steps, and our hope is in recovery from this addiction by emulating the success of those who have gone before us. Those seasoned in recovery, The Circle of Life was developed to help with the basics of recovery. A strong emphasis is placed on obtaining and utilizing a 12-Step program sponsor. We stress attendance at alcohol addiction support meetings and developing a support system. The intention of this workbook is to aid recovering alcoholics in working through the 12 Steps with a sponsor. This workbook does not address formal religion or dogma. This process of recovery, we believe, through our own experience, is spiritual in nature, and change through guidance of a Power greater than ourselves becomes the key to recovery. The first three chapters give information on our addiction, seeking help for recovery from alcoholism, the feelings that are associated with coming into

sobriety and withdrawal from active drinking Chapters four through twelve are dedicated to working the 12 Steps By utilizing the tools and by working the 12 Steps in this workbook with a sponsor we believe that it is possible to get and stay sober from drinking by applying the steps we have worked and by practicing these principles in our life on a daily basis We have experienced an abundant life and it is available to all of us Visit our site <https://sites.google.com/site/circleoflifesite>
