Below the Belt JB Woods,2017-05-16 A thriller that pulls you in with its intricate plots aimed at punishing Hunter for his early career choices When his family is involved it becomes personal and he loses his conscience which brings out his own brand of reprisal for the moles in GCHQ and MI6 She knew her man she knew Hunter Not faultless but faithful with an underlying ruthlessness Product Strategy and Corporate Success C B Rao,2019-10-17 Product strategy is the key driver of business strategy and corporate success This book brings out several important aspects of product strategy drawing upon examples from the Indian automobile industry which is verily the bellwether of the Indian economy The automobile industry is not only a strategic industry economically but also an instructive industry intellectually The industry is the cradle of modern management and is a synthesis of various functional strategies The growth of the automobile industry or for that matter any consumer facing industry lies in its ability to maintain a continuous pipeline of new and innovative products substantive in functionality and stylistic in appearance The automobile industry provides the perfect backdrop for discussing products as the core of the corporate business strategy The global automobile industry including the Indian automobile industry is at an inflection point with portends of an unprecedented transformation The drivers of this transformation are

already seen in terms of connected vehicles autonomous mobility electric vehicles and digital technologies The book through its eighty chapters demonstrates the synergistic interplay between technology and business strategy and execution innovation and inventiveness enterprise and regulation indigenization and globalization structure and process resourcing and spend and leadership and management This interplay would determine India's ability to become a major player in this transformation This book will be of interest to industry professionals policy makers the academic community and the general public

**Brand Antarctica** Hanne Elliot Fønss Nielsen, 2023-12 Antarctica is and has always been very much for sale Whales seals and ice have all been marketed as valuable commodities but so have the stories of explorers The modern media industry developed in parallel with land based Antarctic exploration and early expedition leaders needed publicity to generate support for their endeavors Their lectures narratives photographs and films were essentially advertisements for their adventures At the same time popular media began to use the newly encountered continent to draw attention to commercial products These advertisements both trace the commercialization of Antarctica and reveal how commercial settings have shaped the dominant imaginaries of the place By contextualizing and analyzing Antarctic advertisements from the late nineteenth century to the present Brand Antarctica identifies five key framings of the South Polar continent a place for heroes a place of extremity a place of purity a place to protect and a place that transforms Demonstrating how these conceptual framings of Antarctica in turn circulate through our culture Hanne Elliot Fønss Nielsen challenges common assumptions about Antarctica's past and present encouraging readers to rethink their own relationship with the Far South
