## WHO GUIDELINE ON TRANSFER OF TECHNOLOGY

### DRAFT DOCUMENT FOR COMMENT

The need for new WHO guidance for transfer of technology was discussed at the forty-second meeting of the WHO Expert Committee on Specifications for Pharmaceutical Preparations in October 2007. Colleagues from the WHO Prequalification Programme shared their experience of recently submitted dossiers by, and inspections carried out in, plants that had undergone technology transfer. Technology transfer is happening worldwide both within and between companies, and within the same country as well as between countries. The Expert Committee, therefore, recommended that WHO guidelines on transfer of technology be developed. This draft text was subsequently prepared by Mr John Startup, United Kingdom and by Dr Monika Zweggarth, South Africa. The document was then discussed during the consultation on WHO guidelines for medicines quality assurance, quality control laboratories and transfer of technology on 27-31 July 2009 and a revision prepared.

Please address comments on this proposal, by 10 October 2009, to Dr S. Kopp, Manager, Quality Assurance, Department of Essential Medicines and Pharmaceutical Policies, World Health Organization, 1211 Geneva 27, Switzerland, fax: (+41 22) 791 4730 or e-mail: [koppes@who.int](mailto:koppes@who.int) with a copy to [bonnyw@who.int](mailto:bonnyw@who.int).
