Who Killed Karkare:

Who Killed Karkare? S.M. Mushrif, Political violence or terrorism by State as well as by non State actors has a long history in India The allegation that sections of and individual Indian Muslims indulged in terrorism surfaced for the first time with the ascent of the Hindutva forces in mid 1990s and became state policy with the BJP s coming to power at the Centre With even secular media joining the role as stenographers of security agencies this became an accepted fact so much so that common Indians and even many Muslims started believing in this false propaganda This book by a former senior police officer with a distinguished career that included unearthing the Telgi scam peeps behind the propaganda screen using material mostly in the public domain as well as his long police experience It comes out with some startling facts and analysis the first of its kind to expose the real actors behind the so called Islamic terrorism in India whose greatest feat was to murder the Maharashtra ATS chief Hemant Karkare who dared to expose these forces and paid with his life for his courage and commitment to truth While unearthing the conspiracy behind the murder of Karkare this book takes a hard look at some of the major incidents attributed to Islamic terrorism in India and finds them baseless The Men Who Killed Gandhi Manohar Malgonkar, Pramod Kapoor, 2008-01-01 The Men Who Killed Gandhi by Manohar Malgonkar takes readers back into the pages of Indian history during the time of the partition featuring the murder plot and assassination of Mahatma Gandhi The Men Who Killed Gandhi is a spellbinding non fictional recreation of the events which led to India s partition the eventual assassination of Gandhi and the prosecution of those who were involved in Gandhi s murder This historical reenactment is set against the tumultuous backdrop of the British Raj Malgonkar s book is a result of painstaking research and from also having privileged access to many important documents and photographs related to the assassination There is no doubt that Mahatma Gandhi played a leading role in obtaining independence from the British But the problems that ensued afterwards such as the structural rebuilding of the country and the Partition led to many riots massive migrations and deep racial and cultural divides Not everyone agreed with Gandhi and his ideals As a result a plot to assassinate Gandhi was devised by six individuals named Narayan Apte Gopal Godse Madanlal Pahwa Digambar Badge and Nathuram Godse This was eventually carried out in New Delhi on the 30th of January 1948 Eventually these six individuals were tried and convicted Four of them received life sentences while two of them received the death penalty The first publication of The Men Who Killed Gandhi occurred in 1978 during the Emergency years As a result Malgonkar omitted many vital facts including Dr Ambedkar s role in minimizing Savarkar s criminal conviction This 11th edition of the text contains these omitted facts as well as rare documents and photographs obtained from National Archives After the four individuals who were convicted for Gandhi s murder completed their life sentences they were interviewed by Malgonkar These individuals revealed many details to him which were never known before The author also received access to the Kapur Commission from his friend Mr Nayar who was in the Indian Police Service As a result The Men Who Killed Gandhi is considered the most historically accurate account of

Gandhi's assassination plot Outlook, 2008-11-24 **Veer Savarkar Father of Hindu Nationalism** Jaywant Joglekar, 2006-10-01 Great leaders of the past century dominated Indian political scene for a decade or two But Savarkar's name shines brightly from 1900 to 1966 Ganghiji said No independence without Hindu Muslim unity But Pakistan was created When the late Prime Minister Nehru chided the Hindu nationalists for advocating Hindu Raj Savarkar said The choice therefore is not between two sets of personalities but between two ideologies not Indian Raj or Hindu Raj but Muslim Raj or Hindu Raj Akhand Hindustan or Akhand Pakistan He knew Savarkar personally and wrote his biography in Marathi The English version **Veer Savarkar Father of Hindu Nationalism** has been done now Savarkar's biography enables the reader to understand the politics of the last century 26/11 Mumbai Attacked Ashish Khetan, Bachi Karkaria, Chris Khetan, George Koshy, Harsh Joshi, Julio Riberio, Rahul Shivshankar, 2009-02-01 Bringing together the careful research and analyses of renowned journalists and police officials 26 11 Mumbai Attacked explicates the reality behind the brazen attack on India's sovereignty in November 2008 when ten heavily armed terrorists held an entire city to ransom by the sheer force of their zealotry The scene by scene accounts incisive analyses and an exclusive interview with a LeT representative along with a description of its training camp in Muridke Pakistan reveal how the failure of Indian intelligence agencies landed Mumbai in the quagmire of terrorism Paying homage to the brave security officers who lost their lives fighting the terrorists 26 11 Mumbai Attacked reiterates the chilling reality that India is under grave threat and the clock is ticking before the next big attack **Out of the Mountains** David Kilcullen, 2015-05-28 A leading expert on counterinsurgency and counterterrorism offers a comprehensive theory of competitive control that will apply to the future of conflict in a world of explosive population growth increased urbanization the movement of population centers to the coasts and global connective networks **26/11 Unforgiven** Manish Jaitly, 2018-10-30 Even as Ajmal Kasab was saying that ten men who carried out 26 11 attacks in Mumbai were Pakistani terrorists some politicians of the ruling establishment were calling it a RSS Conspiracy It was clear to Vikrant that government would do nothing to take revenge for the death of his wife and daughter who died along with more than 150 others in those dastardly attacks Forget about taking revenge he won't even get justice But Vikrant Maheshwari was not the government He wasn't tied down by diplomatic niceties Can he himself extract his revenge from Pakistan Who will help him How will he evade the cops who've come to know of his plans *My Seditious Heart* Arundhati Roy, 2019-06-11 Two decades of commentary by the New York Times bestselling author An electrifying political essayist uplifting galvanizing Booklist From the Booker Prize winning author of such works as *The God of Small Things* and *The Ministry of Utmost Happiness* *My Seditious Heart* collects nonfiction spanning over twenty years and chronicles a battle for justice rights and freedoms in an increasingly hostile world Taken together these essays are told in a voice of unique spirit marked by compassion clarity and courage Radical and superbly readable they speak always in defense of the collective of the individual and of the land in the face of the destructive logic of financial social religious military and governmental elites

Fabricating Homeland Security Rhys Machold, 2024-09-24 Homeland security is rarely just a matter of the homeland it involves the circulation and multiplication of policing practices across borders Though the term homeland security is closely associated with the United States Israel is credited with first developing this all encompassing approach to domestic surveillance and territorial control Today it is a central node in the sprawling global homeland security industry worth hundreds of billions of dollars And in the wake of the 2008 Mumbai terrorist attacks India emerged as a major growth market Known as India's 9/11 or simply 26/11 the attacks sparked significant public pressure to adopt modern homeland security approaches Since 2008 India has become not only the single largest buyer of Israeli conventional weapons but also a range of other surveillance technology police training and security expertise Pairing insights from science and technology studies with those from decolonial and postcolonial theory Fabricating Homeland Security traces 26/11's political and policy fallout concentrating on the efforts of Israel's homeland security industry to advise and equip Indian city and state governments Through a focus on the often unseen and overlooked political struggles at work in the making of homeland security Rhys Machold details how homeland security is a universalizing project which seeks to remake the world in its image and tells the story of how claims to global authority are fabricated and put to work

Modi's India Christophe Jaffrelot, 2023-04-11 A riveting account of how a popularly elected leader has steered the world's largest democracy toward authoritarianism and intolerance Over the past two decades thanks to Narendra Modi Hindu nationalism has been coupled with a form of national populism that has ensured its success at the polls first in Gujarat and then in India at large Modi managed to seduce a substantial number of citizens by promising them development and polarizing the electorate along ethno religious lines Both facets of this national populism found expression in a highly personalized political style as Modi related directly to the voters through all kinds of channels of communication in order to saturate the public space Drawing on original interviews conducted across India Christophe Jaffrelot shows how Modi's government has moved India toward a new form of democracy an ethnic democracy that equates the majoritarian community with the nation and relegates Muslims and Christians to second class citizens who are harassed by vigilante groups He discusses how the promotion of Hindu nationalism has resulted in attacks against secularists intellectuals universities and NGOs Jaffrelot explains how the political system of India has acquired authoritarian features for other

reasons too Eager to govern not only in New Delhi but also in the states the government has centralized power at the expense of federalism and undermined institutions that were part of the checks and balances including India's Supreme Court Modi's India is a sobering account of how a once vibrant democracy can go wrong when a government backed by popular consent suppresses dissent while growing increasingly intolerant of ethnic and religious minorities *The Great Indian Conspiracy* Dr. Praveen Tiwari, 2019-03-18 Saffron terrorism Is it a fact Or is this a myth After all do we know enough The shocking blasts of Malegaon and Samjhauta were projected as saffron terrorism A new theory terrorist attacks were tainted as such till a few years later Kasab's confession offered solid proof of Pakistan's role in the 26/11 attacks Though the police had concluded a Pakistani hand for the earlier blasts it was saffron terrorism which prevented the perpetrators of these attacks from being brought to justice As a theory saffron terrorism is not just hurting Hindus sentiments but is also an obstacle to fight real terrorism sponsored by Pakistan and Islamic states The term was coined by the erstwhile UPA government to garner minority votes and manipulate the vote bank After all why were the Malegaon accused SIMI activists let off Why did certain politicians declare not to oppose their bail What was truly behind Aseem's confession The reliability of these confessions was questionable given the police brutality that the National Investigative Agency exposed Journalist Praveen Tiwari explores saffron terrorism and reveals through exclusive interviews of senior National Investigative Agency officials undercover agents and politicians how vote bank politics can compromise ethics and national security Should the real masterminds behind the blasts be allowed to go scot free Should the manipulators of the Samjhauta Express bombings not be held accountable Should we not investigate those who had exonerated Pakistan of its guilt An extensive research on communal politics the book offers indisputable evidence of the saffron terrorism theory as the Great Indian Conspiracy **How to Subvert a Democracy** Josy Joseph, 2022-08-25 India is a democracy at bay This compelling book puts the spotlight not on political leaders but on the murky workings of India's deep state from the police to the federal investigative and intelligence agencies Traversing the Mumbai train blasts the Kashmir insurgency the Gujarat war on terror and the Delhi riots Josy Joseph reveals corruption and political agendas running through the core of agencies that should ensure justice and accountability and shows how this has undermined democracy In 2020 amid the Covid-19 pandemic India's democratic pillars suffered another blow the arrest of activists dissidents and journalists opposed to Narendra Modi's government some on dubious charges others under stringent anti-terror laws Some contend that Modi has simply perfected the art of subverting a democratic state's security establishment bending it to his will With false arrests the overlooking of right wing Hindu terror an establishment bias against Muslims and an unenviable human rights record that has often relied on extrajudicial killings or false testimonies India's domestic security institutions have become just another player in pursuit of power How did this happen And why does India the world's largest democracy often subvert the very ideals of democratic politics when dealing with security challenges *Who Killed Karkare?* S. Gandhi's Assassin Dharendra Jha, 2023-01-24 Dharendra Jha s deeply researched history places Nathuram Godse s life as the juncture of the dangerous fault lines in contemporary India the quest for independence and the rise of Hindu nationalism On a wintry Delhi evening on 30 January 1948 Nathuram Godse shot Gandhi at point blank range forever silencing the man who had delivered independence to his nation Godse s journey to this moment of international notoriety from small towns in western India is by turns both riveting and wrenching Drawing from previously unpublished archival material Jha challenges the standard account of Gandhi s assassination and offers a stunning view on the making of independent India Born to Brahmin parents Godse started off as a child mystic However success eluded him The caste system placed him at the top of society but the turbulent times meant that he soon became a disaffected youth desperately seeking a position in the infant nation In such confusing times Godse was one of hundreds and later thousands of young Indian men to be steered into the sheltering fold of early Hindutva Indian nationalism His association with early formations of the RSS and far right thinkers such as Sarvkar proves that he was not working alone Today he is considered to be a patriotic hero by many for his act of bravery despite being found guilty in court and executed in 1949 **Balasaheb**

Terrorism Explained Ram Puniyani, 2013 Terrorism has been a very major phenomenon disturbing the peace of the planet today While acts of terror have been recorded in recent history from last several centuries this phenomenon has come to prominence from the ghastly tragedy of 9 11 2001 With this the American media popularized the word Islamic terrorism and worldwide this propaganda against Islam and Muslims picked up Al Qaeda a product of US policies to control of oil wealth in West Asia has been the major tormentor of people and its worst victims have been people of India and Pakistan Parallel with this the likes of Sadhvi Prgya Singh Thakur and Swami Aseemanand also came up with the goal of Bomb for a bomb and for

pursuing the politics of Hindu Rashtra Nation This book is a graphic presentation of the whole issue It focuses on the definition of terrorism and the genesis of Al Qaeda through indoctrination in the specially set up Madrassa by America in Pakistan The phenomenon of Osama bin Laden and his support by US is presented in the book The book also takes up the theory of clash of civilization and its fallacies The series of blast from Nanded 2006 to Ajmer and Malegaon blasts are also analyzed The book demystifies the phenomenon of terror and shows that terrorism has nothing to do with religion but there are political goals behind the same

Know the Anti-Nationals RSN Singh,2021-02-04 We live in an era of nation states Nationhood is predicated on shared sense of past and a common purpose of future More than nation state India is a civilization a complete civilization To keep this civilization fresh and vibrant winds from all directions are imperative for its nourishment But winds cannot be allowed to build into destructive storms that threaten to uproot the civilization the very basis of nationhood Jihadism and Maoism are the two main destructive storms Fueling these storms are India s enemies as well as the forces of proselytization They have to be crushed both at ideological and physical levels We have been squeamish in dealing with the problems because of the misplaced notion that all ideologies are basically benign and beneficial they are not 73 years of our post independence experience is testimony This misplaced notion has caused at least a lakh lives in Kashmir alone resulting in ethnic cleansing of Hindus from the Valley by the jihadists Sardar Patel did crush the communist revolt in Telangana but in the following years due to subversion of our political class it grew into the Red Corridor i e from Tirupati to Pashupati These forces have to be vanquished to secure the internal or the third front This book Know the Anti Nationals exposes these enemies within

Poles Apart Aditya Sondhi,2024-07-24 Is there a predominant reason why India is not Pakistan Many would likely point to the omnipresence of the military in the polity of the latter While the interventionist attitude of the army in Pakistan easily explains the democratic shortfall in its history the mirror opposite in India is rarely studied or credited Poles Apart is a unique and original investigation of the comparative roles of the military to study their influences on the growth of democracy in the two nations The book highlights the divisive outcomes of military coups on Pakistan s democratic trajectory while also closely analysing potential scenarios in India when the army could have gone astray but chose to stay apolitical Disgrace at the hands of China in 1962 the Emergency and Operation Blue Star among others make for fascinating case studies of how the army was treated shabbily but still remained politically disinclined On the other hand the overarching presence of Field Marshal Ayub Khan General Yahya Khan General Zia ul Haq and General Pervez Musharraf in the Pakistani political space represent a very different set of choices and interventions A crisp chapter on Bangladesh and its experiments with democracy and martial rule rounds off the deeply researched study
