Who Is Allah:

Who Is Allah Swt the Creator of Universe in Islam Muhammad Vandestra, 2018-07-25 It is a known fact that every language has one or more terms that are used to refer to God and sometimes to lesser deities at the same time This is not the case with Allah Allah is the personal name of the One true God Nothing else can be called Allah The term has no plural or gender This shows its uniqueness when compared with the word god which can be made plural as in gods or made feminine as in goddess It is interesting to note that Alah is the personal name of God in Aramaic the language of Jesus and a sister language of Arabic The One true God is a reflection of the unique concept that Islam associates with Allah To a Muslim Allah is the Almighty Creator and Sustainer of the universe Who is similar to nothing and nothing is comparable to Him The Prophet Muhammad was asked by his contemporaries about Allah the answer came directly from Allah Himself in the form of a short chapter of the Quran which is considered to be the essence of the unity or the motto of monotheism This is chapter 112 which reads In the name of Allah the Merciful the Compassionate Say O Muhammad He is Allah the One God the Self Sufficient who has not begotten nor has been begotten and equal to Him is not anyone Some non Muslims allege that God in Islam is a stern and cruel God who demands to be obeyed fully and is consequently not loving and kind Nothing could be farther from the truth than this allegation It is enough to know that with the exception of one each of the 114 chapters of the Quran begins with the verse In the name of God the Merciful the Compassionate In one of the sayings of Prophet Muhammad may the mercy and blessings of God be upon him we are told that God is more loving and kind than a mother to her dear child On the other hand God is also Just Hence evildoers and sinners must have their share of punishment and the virtuous must have God s bounties and favors

Who Is This Allah? G.J.O. Moshay, 2008 Is Allah the God of the Bible In any of the one hundred and fifty sects and sub sects of Islam the common denominator is Allah Who is this Allah Much has been written on the religion of Islam and its prophet but not much is said about the god of the religion One reason is the assumption that the god of Islam and the God of Christianity are one and the same When on September 11 2001 some Muslims carried out a well organized attack destroying the The World Trade Center and damaging the Pentagon a letter of last instruction from the leaders of the terrorist network was discovered Written in Arabic it says their mission was a service to God Actually this was a mistranslation The word the terrorists used is not the Arabic word for God but Allah The Arabic word for God is Ilah So they believed they were working for Allah not God Who is this Allah Were these terrorists extremists or were they serving the Allah of the Qur an The war against terrorism goes beyond overthrowing the Taliban regime in Afghanistan or even killing Osama bin Laden The war on terror may not be won unless we understand the Allah the terrorists say inspires them Not all Muslims are terrorists But the terrorists letter which is quoted fully in chapter three gives great insight into the Islamic religion and the motivation for religious terrorism in the world Why have we shied away from probing the identity of the Allah of Islam Possibly it is because if Allah is not the God of the Bible it would force us to face many ugly facts For example

if Allah is the true God and the Qur'an Islam's sacred book is true then Christians can be sure they are lost no matter how zealous they may be. The reverse would also be true. It is necessary therefore to provide sufficient information to enable you to determine your own verdict and answer the question Who is this Allah. This book will do that. Who is Allah Vs Who is God Angela Griffith, 2023-02-28. There is no deity but Allah reads the Islamic declaration of witness or shahada. Muslims hold that he created the world in six days and sent prophets including Noah, Abraham, Moses, David, Jesus, and finally Muhammad who urged people to worship only him and shun idolatry and polytheism. Islam, which literally translates as submission, was not always the name of the faith that Muhammad created. Instead, it was referring to the original religion of all humankind, including the world itself, which like us was made to serve Allah. All earlier prophets and their followers were Muslims, submitters to Allah, despite the fact that Muslims sometimes confuse the definitions of the terms Islam and Muslim. Several prophets were given texts by Allah, including the Torah of Moses, the Psalms of David, and the Gospel of Jesus. Yet their writings and messages were lost or tainted.

Allah is the personal name of the One true God. Nothing else can be called Allah. The term has no plural or gender. It is interesting to note that Allah is the personal name of God in Aramaic, the language of Jesus, and a sister language of Arabic. Who is similar to nothing and nothing is comparable to Him. The Prophet Muhammad SAW was asked by his contemporaries about Allah SWT; the answer came directly from Allah SWT Himself in the form of a short chapter of The Noble Quran, which is considered to be the essence of the unity or the motto of pure monotheism. This is chapter 112, which reads: In the name of Allah, the Merciful, the Compassionate. Say: O Muhammad, He is Allah, the One, God, the Self-Sufficient, who has not begotten nor has been begotten and equal to Him is not anyone. The Noble Quran.

Allah the Merciful the Compassionate Say O Muhammad He is Allah the One God the Self Sufficient who has not begotten nor has been begotten and equal to Him is not anyone The Noble Quran Who Is Allah SWT God In Islam Religion? Muhammad Vandestra,2019-05-22 Some of the biggest misconceptions that many non Muslims have about Islam have to do with the word Allah For various reasons many people have come to believe that Muslims worship a different God than Christians and Jews This is totally false since Allah is simply the Arabic word for God and there is only One God Let there be no doubt Muslims worship the God of Adam Noah Abraham Moses David and Jesus peace be upon them all However it is certainly true that Jews Christians and Muslims all have different concepts of Almighty God For example Muslims like Jews reject the Christian beliefs of the Trinity and the Divine Incarnation This however does not mean that each of these three religions worships a different God because as we have already said there is only One True God Judaism Christianity and Islam all claim to be Abrahamic Faiths and all of them are also classified as monotheistic However Islam teaches that other religions have in one way or another distorted and nullified a pure and proper belief in Almighty God by neglecting His true teachings and mixing them with man made ideas First of all it is important to note that Allah is the same word that Arabic speaking Christians and Jews use for God If you pick up an Arabic Bible you will see the word Allah being used where God is used in English This is because Allah is a word in the Arabic language equivalent to the English word God with a capital G Additionally the word Allah cannot be made plural a fact which goes hand in hand with the Islamic concept of God It is interesting to note that the Aramaic word El which is the word for God in the language that Jesus spoke is certainly more similar in sound to the word Allah than the English word God This also holds true for the various Hebrew words for God which are El and Elah and the plural or glorified form Elohim The reason for these similarities is that Aramaic **Who is Allâh and His Prophet** Abu Al-Arabi Hamzah,1999 Who Is Allah? Christoferos Publishing,2020-12-02 Today Islam is typically discussed within the context of attacks and terrorism by contrast theological matters are much less frequently the subject of reflection They usually start with the assumption that Muslims and Christians believe in the same monotheistic God with the sole difference that they have different names for and conceptions of Him Both the Bible and the Koran mention Adam and Eve the same prophets as well as Jesus and Mary It has become common to speak of the Abrahamic religions Judaism Christianity and Islam refer to the biblical patriarch Abraham who from this perspective is something of a common denominator and spiritual father of the three monotheistic religions Thus is there any need for reflection This brief essay demonstrates that there very much so is The author is a Catholic theologian who has dealt with Islam for many years He completed his studies at the Ruhr University Bochum in Germany and currently lives in Warsaw **The Interpretation of The Meaning of The Holy Quran Volume 48 - Surah Al-Qasas verse 1 to 45** Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there

is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin **Who is Allah and His Prophet** Abdul Rahman Abdullah,2001 Who is Allah? Islam In Brief Yaser Jaber, 2023-02-24 The name Allah God in Islam is the personal name of God The most concise definition of God in Islam is given in four verses of Surah Al Ikhlaas in the Holy Qur'an Say He is Allah Who is One Allah the Eternal Refuge He neither begets nor is born Nor is there to Him any equivalent Holy Qur'an 112:1-4 To Muslims this four line definition of Almighty God serves as the touchstone of the study of God Any candidate to divinity must be subjected to this acid test and since the attributes of The Creator given in this chapter are unique false gods and pretenders to divinity can be easily dismissed using these verses 4 i The first criterion is Say He is Allah one and only Can there be more than one god This verse tells us that The Creator is the only one who has total and absolute power unique in His names and attributes ii The second criterion is Allah is absolute and eternal The word that is translated as The Eternal Absolute from Arabic is something that can be attributed only to The Creator as all the other existent beings temporal or conditional It also means that Allah is not dependant on any person or thing but all persons and things are dependant on Him iii The third criterion is He begets not nor is He begotten This means God was not born nor does He give birth and share his divinity with others Nor does He have a family or relationship with another being iv The fourth test which is the most stringent is There is none like unto Him The moment you can imagine or compare God to anything then he the candidate to divinity is not God It is not possible to conjure up a mental picture of the One True God because of the simple fact as creation we only know creation

Muhammad's Military Expeditions Ayman S. Ibrahim, 2024 The Arabic Muslim literature on Muhammad's maghazi is bountiful Since this book focuses on Muhammad's maghazi a survey of this literature is important not only to establish the centrality of the topic in Islamic thought but also to relay the uniqueness and contribution of this book To that end in this chapter I will first explore that which classical Muslim narrators wrote on Muhammad's maghazi and the ways they used the accounts to reflect Allah's support for Muhammad and the believers In the second section I will examine discussions by modern and contemporary Muslims relaying how they interpret the accounts of the maghazi In particular I will discuss their articulation of the motivations and results of Muhammad's military campaigns The first two sections of this chapter will thus establish the centrality of the maghazi as a literary genre as well as its importance among Muslims past and present In the third section I take the discussion to non-Muslim scholarship I explore briefly early views on Muhammad and his career by non-Muslims before I focus on works and arguments of key Western scholars from the nineteenth century until our present day
