**Exploring the Dark Sides of Leadership and Followership** Susanne Braun,Ronit Kark,Barbara Wisse,2019-01-21 The scientific field of leadership and followership is fast evolving and has seen several interesting developments over recent years The early heroic views of leadership are slowly turning into more nuanced perspectives including the understanding that leadership and followership are mutually dependent on each other Likewise there is a growing awareness that the focus on the positive side of leadership and followership can be fruitfully complemented by a focus on the darker sides of these constructs According to the latest research plenty of grey areas exist where further insights into leadership and followership are needed We seek to emphasize the different shades of dark leadership by taking leaders followers and their interaction in specific contexts into account Accordingly many of the findings presented in this Research Topic align with a deviation away from the idea of the omnipotent leader Not only leaders dark traits such as narcissism and psychopathy but also followers

Machiavellianism emerged as hindering factors for positive organizational functioning Other results presented in this Research Topic will be fruitful to explain what drives leaders towards dark side behaviors the consequences of dark side leader behaviors e g different types of destructive leadership and how followers respond to them e g follower attributions of perceived abusive supervision Contributions to this Research Topic are also pushing the boundaries of current theorizing shedding further light on the shades of grey when it comes to the possibly unintended negative consequences of leadership and followership In sum the dark sides of leadership and followership are a natural part of an organizational reality that many employees face day in and day out The aim of this Research Topic is to encourage an integrative view of leadership and followership and their dark sides for a better understanding of complex organizational systems and implications for better practice

**Man-Made** Eva Tutchell, John Edmonds, 2016-03-09 Why are so few women in positions of power Why are government business the institutions and so much of British life dominated by men Eva Tutchell and John Edmonds find the answers by interviewing over a hundred successful women and discovering what it takes for a woman to get to the top The statistics are startling Britain is an 80/20 nation 80 per cent of the most powerful jobs are occupied by men and only 20 per cent by women Tutchell and Edmonds uncover the cultural and historical reasons for this extraordinary imbalance of power Their book is entitled Man Made because men have made the rules and women must do their best to fit in In spite of its claim to be a modern nation Britain is conditioned by a legacy that views men as doers and leaders and expects women to be helpers and supporters Many men still judge women more by their appearance than by their ability Most shocking of all Man Made reveals that the birth of children pushes the careers of most women into crisis Mothers are paid less and promoted less Ambitious women are tempted to make their children invisible to employers Man Made provides a rigorous and convincing analysis of the inadequacy of current policy and proposes a more thoroughgoing programme to achieve fairness and equality Tutchell and Edmonds speculate about whether a new generation of female activists can produce the political pressure to change the culture of Britain

**Author Fictions** Ingo Berensmeyer, 2023-10-04 Fictional novelists and other author characters have been a staple of novels and stories from the early nineteenth century onwards What is it that attracts authors to representing their own kind in fiction Author Fictions addresses this question from a theoretical and historical perspective Narrative representations of literary authorship not only reflect the aesthetic convictions and social conditions of their actual authors or their time they also take an active part in negotiating and shaping these conditions The book unfolds the history of such author fictions in European and North American texts since the early nineteenth century as a literary history of literary authorship ranging from the Victorian bildungsroman to contemporary autofiction It combines rhetorical and sociological approaches to answer the question how literature makes authors Identifying author fictions as narratives that address the fragile material conditions of literary creation in the actual and symbolic economies of production Ingo Berensmeyer explores how these texts elaborate and manipulate concepts and models of authorship This book will be relevant to English American and comparative literary

studies and to anyone interested in the topic of literary authorship

**The Dark Side of the Publishing Industry** Samuel River, Discover the Dark Side of the Publishing Industry and Uncover the Biggest Scams in the Business of Self Publishing with Famous Publishers and Distributors Only a fraction of authors can truly make a living from their books and even fewer understand the inner workings of the publishing industry With my experience of publishing 230 books and establishing my own publishing company I've witnessed how certain companies manipulate and control the market to their advantage But don't be discouraged this book will provide you with the knowledge to fight back

and position yourself among the top 0.1% of successful authors. While many authors have chosen to stay silent out of fear that speaking up would harm their image and sales, I believe in sharing the truth. In this eye-opening book, I expose the widespread cowardice within the industry and shed light on the harsh reality that most authors are merely writers seeking self-esteem rather than delivering quality content. I delve deep into the publishing world, unveiling the secrets that few are brave enough to confront. This is not a book filled with baseless accusations or unfounded claims. Instead, it is a reflection of my personal struggle and a decade-long journey to overcome the odds and achieve success as an author. As I uncovered the truth, I realized that it's our choices that define us, not the forces that stand against us. Within these pages, you'll find raw truth and an unfiltered account of my experiences. Though some information may be difficult to prove due to the secretive nature of the industry, the data and logical analysis presented will allow you to draw your own conclusions. It's time to expose the illusion created by bestseller lists and empower both insiders and outsiders to see the publishing world for what it truly is. Join me in this important battle for fairness and transparency. Whether you're an author, a publisher, or an avid reader, let the truth guide your decisions. As Theodore Roosevelt said, "In any moment of decision, the best thing you can do is the right thing, and the worst thing you can do is nothing." Take action now and uncover the dark secrets of the publishing industry.

**The Successful Author Mindset** Joanna Penn, 2018-08-11

Being a writer is not just about typing. It's also about surviving the roller coaster of the creative journey. Self-doubt, fear of failure, the need for validation, perfectionism, writer's block, comparisonitis, overwhelm, and much more. When you're going through these things, it can feel like you're alone. But actually, they are part of the creative process, and every author goes through them too. This book collects the mindset issues that writers experience that I have been through myself over the last ten years, and that perhaps you will experience at different times on the creative journey. Each small chapter tackles a possible issue and then offers an antidote so that you can dip in and out over time. It includes excerpts from my own personal journals, as well as quotes from well-known writers. I hope it helps you on the road to becoming a successful author.

The book includes:

- Part 1: Mindset Aspects of Creativity and Writing
  - Self-doubt and imposter syndrome
  - Need for validation
  - Fear of failure
  - Fear of rejection and criticism
  - Your inner critic
  - Fear of judgment
  - Perfectionism
  - Writer's block and procrastination
  - "I'm not creative, I don't have any ideas"
  - "My writing isn't original"
  - "Why write? There are too many books in the world already"
  - "I don't have the time or self-discipline to write"
  - "I'm not finding writing much fun"
  - "It's hard work, I keep starting things and not finishing them"
  - Dealing with friends, family, and writer's groups
  - How do I find my voice?
  - Comparisonitis or "Everyone is better than me"
- Part 2: Mindset Aspects after Publishing
  - Anti-climax and creative dissatisfaction
  - What is your definition of success?
  - What happens when you tell people that you're an author?
  - "I'm overwhelmed"
  - Dealing with fans
  - Authenticity and drawing the line
  - Haters gonna hate
  - Ambition, fame, and fortune
  - Giving up
- Part 3: Tips for Success on the Author Journey
  - Know thyself
  - Understand and hone your creative process
  - Develop professional habits
  - Manage professional relationships
  - Take control of your writing career
  - Find your community
  - Keep learning
