Why Is Daddy In A Dress:

Why Daddy, Why? Emelia Dion Hardy, 2003-01-30 The reader will be drawn irresistably into the world of the author who presents a catalogue of abuse and cruelty suffered by herself as an innocent child first at the hands of her alcoholic father then by nuns and later by a heartless husband who raped and beat her This is compulsive reading The book shows how the shadow of a father s cruelty can be cast over the whole life of a child a child who in this instance never failed to turn the other cheek or return love for cruelty and abuse who manifested in the end the overriding power and strength of Christ who advocated love above all things The book is a protest against domestic violence and institutionalised cruelty and will hopefully stand as a beacon and warning against the violations suffered by so many Emelias whose heartfelt cries go unheard behind the closed or locked doors of our apparently respectable western civilization Daddy's Obsession Rory Reynolds, I swore off all relationships One night is all I promised A single night for him to dominate my body What I didn t know before he took me over his knee is that he s my new boss My tempting irresistible boss Now there s no going back I m Oliver Titan s obsession and he always gets what he wants Note Daddy s Obsession is a full length daddy dom insta love romance with a guaranteed happily ever after An Old Man Thinking for the First Time James Kalm Fitzgerald, 2024-05-22 A seed was dropped by a man that did not know he was sowing seeds A certain seed sprouted a philosophy plant which was noticed by a passerby The passerby a lost soul picked and consumed the plant which awakened a decade s old and long forgotten planned quest That quest was locked away in the mind of the lost soul in a closet of things once planned but long since forgotten In that closet on a bookshelf was a book the lost soul had once thought to read The Holy Bible Covered in scarlet webs this book now stood out as a quest that must be taken The lost soul removed the book from the forgotten things in the closet of his mind and moved it from the mind to his hands The Book was consumed The old man would start thinking differently This thinking it seemed to the old man would be useless unless this thinking might be shared No experience in writing but nevertheless compelled to go fishing for men with words Daddy, I'm the Man You Could Have Been! From Rags to Riches Randy M. Reece, 2011-11-21 From Rags to Riches Til Death do us Part In a quaint town near lake Erie the mild mannered Henry Thomas Belt settled into his role in life For thirteen years he struggled to live and send enough money back home to support his family in Stamford Ontario Not far away but in 1888 it was if you only had enough to live on His work never allowed time enough for a visit Now with Christmas upon him he thought of his father and sister and how much he missed them Early one morning he received terrible news His boss was found murdered the night before right after he had left work Now out of work and a prime suspect in a murder his life seemed doomed To prove his innocence he couldn't go to see them Stuck in his tangled web Henry soon discovers there are miracles along with tragedies Thinking he was the luckiest man on earth until he hits head on with the hand of fate Read the journal he leaves behind accounting from the time he loses his job To being a fugitive in a strange world of twisted circumstance Did he ever find his true love After all Can true love keep you alive It is dark and eerie in this old abandoned room of the Palmer Boarding House With some of the wallpaper that is torn off and hanging in strips Along with old blistered paint that is peeling away from the wood trim It looks tired and run down now and I feel a bit sad because of its ill kept state This was once my room and I never would have thought I'd be forced to stay here against my will It has only been a few short months since I had to move out Now I am back and I do not know how long I have to stay hiding in this unpleasant prison Earlier today I had to take refuge amongst the scattered debris that was left behind in my apartment I had heard footsteps coming up the stairs A constable looked through the opened doorway into the room as I watched him from the pile of boxes and old news prints My heart beat frantically I thought he could see me or would hear me but he did not He seemed satisfied that the room contained nothing more than rubbish or the occasional rat or mouse He

closed the door and continued down the hallway to check the rest of the upstairs The officer would only find the bathroom and the small linen closet I watched the door carefully waiting for it to open again To my relief I heard him go downstairs A little later I was sure the constable had left the building Still I remained hidden for about two long and arduous hours With the greatest of caution I crawled upon my hands and knees toward the window on the opposite side of the room Slowly I ventured to peek out of the window with my nose pressed against the sill There was no one to be seen on the street below The lace curtains now tattered and dusty blew to and fro in the breeze coming through the broken window pane The curtains will help hide my presence here I hope Feeling the stress upon myself and worried what I was to do I sat on the floor beneath the window with my back against the wall My eyes focussed on the debris in the room I was trying to sort out the thoughts that were dancing around in my head What am I going to do now Nearly crying out loud Survival became my ultimate choice and I soon knew what to do Going from one abandoned apartment to another on the first floor with the results of a few canned goods preserves and flour In order to cook anything without being detected I would have to use the wood stove in Mrs Lawrences old apartment downstairs The brick buildings were constructed so close together that they had to join into one chimney They would think that the smoke was coming from the other apartment house The water at first reeked with reddish brown rust from the old pipes It was difficult to locate a decent cooking pot without a hole in the bottom Miss Palmers apartment yielded the greatest treasure
