Why Revival Tarries A Classic On Revival Leonard Ravenhill:

Why Revival Tarries Leonard Ravenhill, 2004-08-01 Leonard Ravenhill's call to revival is as timely now as it was when first published over forty years ago. The message is fearless and often radical as he expounds on the disparity between the New Testament church and the church today. *Why Revival Tarries* contains the heart of his message. A W Tozer called Ravenhill a man sent from God who appeared at a critical moment in history just as the Old Testament prophets did. Included are questions for group and individual study.

Revival If... Rod Parsley, 2022 Could it be that God is giving us one last opportunity to allow His Spirit to be poured out upon the earth before the return of Jesus? This book will stir you to fan the flames of revival in your own heart so you can partner with the Holy Spirit and fellow believers to see a sweeping move of God transform America and the world. Are we living in the last days? Is it possible that God is getting ready to pour out His Spirit on the earth one last time before Jesus returns? In *Revival If*, best-selling author Rod Parsley gives readers a road map for cultivating renewal in their own hearts and minds and for participating in spiritual revival on a national scale. Drawing from over forty years of experience with revival personally and in ministry, Parsley clarifies what revival is and what it is not. Explains the difference between revival and awakening. Includes historical accounts and current perspectives on various revivals. While the methods of revival may change, the message remains the same. This book shares timeless biblical truths that will empower believers to seize the moment and experience true lasting revival and personal renewal.

Sample Book Insights

1. The offense of prayer is that it does not essentially tie in to mental efficiency. It is conditioned by one thing alone: spirituality. One does not need to be spiritual to preach, but preaching cannot be done without spirituality.
2. The church today is standing on the sidewalk, watching with frustration as the sin-dominated evil geniuses of Moscow strut down the middle of the road, breathing out threats against anything that is lovely and of good report.

The Tree of Intimacy Brian Britton, 2004-07 The *Tree of Intimacy* is a call for a lifestyle of extreme intimacy with the Father. God is revealing again to His church that we cannot separate the awesome, awe-inspiring power of God from the amazing, incredible love of the Father. In the past, the church has experienced only temporary and isolated revival. But a move of God is soon coming that the world will not be able to deny. It will be a revival that will shake the nations. This revival will come about only when we have the capacity to receive the level of anointing necessary to carry it out. And that will happen only as we seek Him on an intimate level as no other generation has before us. A heartcry for a generation hungry for God.
