Sample Book Insights

- 1 I had to live out some of my mother's unlived life She was a flamboyant depressive who kept a revolver in the duster drawer and the bullets in a tin of Pledge She was alive when my first novel Oranges Are Not the Only Fruit was published in 1985
- 2 I was trying to get away from the received idea that women always write about experience while men write about broad and bold experiments with form I was angry that writers were sex crazed bohemians who broke the rules
- 3 I wrote the cover story of myself being a misfit so that I could escape the pain of being alone I spent most of my school years sitting on the railings outside the school gates so I could be seen and not liked
- 4 I had no idea how to love or trust another person and I thought that love was loss I believed that the world was unfair and out of control and that we can
