The Outrageous Idea of Christian Teaching Perry Lynn Glanzer, Nathan F. Alleman, George M. Marsden, 2019 Thousands of professors claim Christian as their primary identity and teaching as their primary vocational responsibility But how does being a Christian change one s teaching Indeed should it The Outrageous Idea of the Christian Teacher explores the responses of more than 2 300 Christian professors from 48 different institutions across North America to find out

*Academically Speaking* Rick Ostrander, 2024-02-01 A personal odyssey through the world of Christian higher education narrated by a professional who has worked on both sides of the

faculty administrative divide What is the world of Christian higher education really like With thirty years of experience in Christian academia Rick Ostrander provides an insider's perspective on the field and its future Ostrander cut his teeth as an undergraduate at Moody Bible Institute and the University of Michigan before completing his PhD with George Marsden at Notre Dame From there he worked as a professor and administrator at various Christian colleges a vice president at the Council for Christian Colleges and Universities and an independent academic consultant Throughout he witnessed the many dramatic transformations of Christian higher education Ostrander traces an attempt to cultivate evangelical intellectualism in the 90s to the political and economic forces that shake Christian colleges today Through lively storytelling Ostrander highlights the qualities and quirks of Christian higher education His experiences offer readers insight into how Christian colleges can flourish in an age of uncertainty

**American Evangelicalism** Darren Dochuk, Thomas S. Kidd, Kurt W. Peterson, 2014-10-15 No living scholar has shaped the study of American religious history more profoundly than George M Marsden His work spans U S intellectual cultural and religious history from the seventeenth through the twenty first centuries This collection of essays uses the career of George M Marsden and the remarkable breadth of his scholarship to measure current trends in the historical study of American evangelical Protestantism and to encourage fresh scholarly investigation of this faith tradition as it has developed between the eighteenth century and the present Moving through five sections each centered around one of Marsden's major books and the time period it represents the volume explores different methodologies and approaches to the history of evangelicalism and American religion Besides assessing Marsden's illustrious works on their own terms this collection's contributors isolate several key themes as deserving of fresh rigorous and extensive examination Through their close investigation of these particular themes they expand the range of characters and communities issues and ideas and contingencies that can and should be accounted for in our historical texts Marsden's timeless scholarship thus serves as a launchpad for new directions in our rendering of the American religious past

**A Critical Examination of the Doctrine of Revelation in Evangelical Theology** Carisa A. Ash, 2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash's study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward
