
SECTION: CERTIFICATION**SUBJECT:** Specific Requirements for First Time Certification Only**ITEM:** *Timeframes for Processing*

Policy Local agencies shall notify applicants of their eligibility status not later than 20 calendar days from the date of application or, in cases of applicants at special nutritional risk (women eligible as Priority 1 participants and migrant farmworkers and their family members), not later than 10 calendar days following the date of application. Local agencies shall establish office procedures which ensure that participants and the general public are able to contact the agency by telephone or personal visit during normal business hours without unreasonable delay.

Extension to notification period Local agencies may request WIC Branch approval to extend the 10-day notification time frame for applicants at special nutritional risk to 15 days. Such requests must be submitted in writing to the WIC Branch and must be accompanied by a justification. Acceptable justifications for requesting an extension to the processing standards include, but are not limited to, the following:

1. Limited number of times available for WIC appointments at a particular distribution site.
2. Local agency staff shortages.
3. Inclement weather.

Agencies may submit requests to extend the notification time period at any time. Approval will be valid through the end of the federal fiscal year during which the request was made. The annual reapplication for funding is one method by which agencies may renew their requests.

Scheduling appointments for pregnant women At a minimum, the woman's name and, when possible, either her telephone number or address are required to schedule the first appointment for pregnant women. First schedule appointment shall be defined as an appointment made by a WIC staff person or non-WIC staff (e.g., physician's office, clinic staff) to determine whether the woman is eligible to receive program benefits.
