Car-tastrophes George Fowler, Honest John, 2016 Automakers are as prone to turn out clunkers as politicians are to lie Their cars may be ugly misconceived badly built diabolical to drive ridiculously thirsty or just plain unreliable So which were the worst offenders of the past 20 years In this light hearted somewhat irreverent look at the world of cars journalists Honest John and George Fowler share their combined wealth of automotive experience to reveal what they consider to be the 80 worst car tastrophes of the past two decades Honest John wrote the motoring agony column at The Daily Telegraph for 20 years and now runs his own website reviewing cars and answering questions while George Fowler also known as Motormouth is Motoring Editor at The Daily Star No one is as qualified to dish out the dirt as these two If your car is or was remotely good then you won t find it in this book On the other hand if it s here don t expect any sympathy **Business World** ,2010 **Letters From The Open Road (Vol. 1)** Sidharth Sharotri, 2023-01-05 From the completely juvenile yet brilliant mind of Sidharth Sharotri comes a compilation of his serious automobile journalism work which consisted of him driving posh cars and making up stories around them for newspapers These highly technical read not at all technical articles first appeared in a weekly motoring page called Honk in Deccan Chronicle and Asian Age between 2013 and 2015 which this author was exclusively entrusted with Letters from the Open Road does exactly what his newspaper articles did make the reader giggle a little bit while making them wonder if they should chase their own childhood dreams **The Car Design**
