The Truth is in Dreams Stories and Fairy Tales ,

Fairy Tales and Society Ruth B. Bottigheimer, 2014-12-05 This collection of exemplary essays by internationally recognized scholars examines the fairy tale from historical folkloristic literary and psychoanalytical points of view For generations of children and adults fairy tales have encapsulated social values often through the use of fixed characters and situations to a far greater extent than any other oral or literary form In many societies fairy tales function as a paradigm both for understanding society and for developing individual behavior and personality A few of the topics covered in this volume oral narration in contemporary society madness and cure in the 1001 Nights the female voice in folklore and fairy tale change in narrative form tests tasks and trials in the Grimms fairy tales and folklorists as agents of nationalism The subject of methodology is discussed by Torborg Lundell Stven Swann Jones Hans Jorg Uther and Anna Tavis *Folk and Fairy Tales - Fourth Edition* Martin Hallett, Barbara Karasek, 2008-10-28 This anthology of folk and fairy tales brings together 52 stories from a range of historical and geographic traditions Sections group tales together by theme or juxtapose variations of individual tales inviting comparison and analysis across cultures and genres An accessible section of critical selections provides a foundation for readers to analyze debate and interpret the tales for themselves An expanded introduction by the editors looks at the history of folk and fairy tales and distinguishes between the genres while revised introductions to individual sections provide more detailed history of particular tellers and tales paying increased attention to the background and cultural origin of each tale A selection of illustrations from editions of classic tales from the 19th to the 21st centuries is also included This new edition includes a larger selection of critical articles more modern and cross cultural variations on classic tales and an expanded discussion of illustrations *Short Story Index* , 2004 Anne Rice and Sexual Politics James R. Keller, 2015-11-16 From the vampires Lestat and Louis to a sexually liberated Sleeping Beauty novelist Anne Rice has created a host of characters who are notable for their paradoxical combinations of the deviant and the conventional Exit to Eden for example ends with the sado masochistic protagonists embarking on a traditional monogamous heterosexual relationship while the vampires often long to exchange their erotic immortality for ordinary mortal lives and loves This scholarly analysis of the seemingly incompatible elements of the subversive and the socially acceptable in Rice's early work covers her career from the landmark Interview with the Vampire 1976 to Lasher 1993 Each chapter tackles a different aspect of Rice's conflicting portrayals of sexual issues including homophobia pedophilia castration anxiety and the vast array of gender stereotypes and roles that her novels so often interpret and exploit This study is appropriate both for readers of Rice's writing and those intrigued by issues of sexual politics and the ways in which a popular author both embraces and repudiates some of the most shocking concepts of sexuality An index and bibliography are included to aid research Mary Poppins, She Wrote Valerie Lawson, 2013-12-03 THE ONLY TRUE STORY BEHIND THE CREATOR OF MARY POPPINS The remarkable life of P L Travers the creator of Mary Poppins perfect for fans of the movie Mary Poppins Returns and the

original Disney classic An arresting life Lawson is superb at excavating the details Library Journal The spellbinding stories of Mary Poppins the quintessentially English and utterly magical nanny have been loved by generations She flew into the lives of the unsuspecting Banks family in a children s book that was instantly hailed as a classic then became a household name when Julie Andrews stepped into the title role in Walt Disney s hugely successful and equally classic film But the Mary Poppins in the stories was not the cheery film character She was tart and sharp plain and vain She was a remarkable character The story of Mary Poppins creator as this definitive biography reveals is equally remarkable The fabulous English nanny was actually conceived by an Australian Pamela Lyndon Travers who came to London in 1924 from Queensland as a journalist She became involved with Theosophy traveled in the literary circles of W B Yeats and T S Eliot and became a disciple of the famed spiritual guru Gurdjieff She famously clashed with Walt Disney over the adaptation of the Mary Poppins books into film Travers whom Disney accused of vanity for thinking you know more about Mary Poppins than I do was as tart and opinionated as Julie Andrews s big screen Mary Poppins was cheery Yet it was a love of mysticism and magic that shaped Travers s life as well as the character of Mary Poppins The clipped strict and ultimately mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety six years Valerie Lawson s illuminating biography provides the first full look whose personal journey is as intriguing as her beloved characters

Explicit Utopias Amalia Ziv,2015-07-06 Provides an incisive account of women s porn and queer porn of the 1980s and 1990s Explicit Utopias explores a problem that has long haunted feminist lesbian and queer critics the obstacles to imagining women s desire and sexual agency Pornography is one arena in which women have actively sought to imaginatively overcome this problem yet pornography has also been an object of passionate feminist contention Revisiting the feminist sex wars of the 1980s Amalia Ziv offers a comprehensive and thoughtful reassessment of the arguments and concerns of both camps tying these early debates to the contemporary surge of concern over the pornification of culture She also sets out to rectify the lack of critical attention to marginal sexual representations by examining the feminist queer and psychoanalytic literature on several key issues including fantasy the phallus identification and gender performativity [The Cambridge Companion to Contemporary African American Literature](#) Yogita Goyal,2023-12-21 This book provides a systematic and vibrant account of the range and achievements of contemporary Black writers [The Oxford Companion to Fairy Tales](#) Jack Zipes,2015 This Oxford companion provides an authoritative reference source for fairy tales exploring the tales themselves both ancient and modern the writers who wrote and reworked them and related topics such as film art opera and even advertising **PEM: The Art of Slavery** Robert Rubel,2010-09-16 Art of slavery Aos is a national consortium for slaves and or those submissives bottoms male or female that might be interested in pursuing the art and life of slavery within the lifestyle to come and share information In addition Aos also has many switches as members that have a strong servant side of them and or may serve as a slave in addition to their switch side Aos prides itself on being a comfy cozy forum where those of like mind can come

myth of womanhood and the figure of the actress counterposing two or more works from the feminist and from the dominant cinema. What emerges is a fascinating picture of a women's film tradition that not only addresses but reworks and remakes the mainstream cinema. Fischer successfully combines two main strains of feminist criticism: the deconstructive critique of the dominant culture from a feminist standpoint and the study of a feminist counterculture. Examining films from *Persona* and *The Lady from Shanghai* to *Girlfriends* and *Sisters or the Balance of Happiness*, the book offers fresh interpretations of individual works and can incidentally serve as an introduction to the field of feminist film criticism.
