Who Is He To You Monique D Mensah:

The Truth As I See It Nakia R. Laushaul, 2019-11-19 Nakia R Laushaul poetically gathers myths and misconceptions about life that threaten to hold the heart captive into her first bound collection titled *The Truth As I See It In Poetry Prose*. She expresses her views of The Truth about Me and You Love God and Life in powerful poems that make the truth look painfully simple and prose that tenderly draws you into the view of the world as she sees it. *The Truth As I See It In Poetry Prose* beautifully fuses together the key elements to living life more freely and intensely. Out of pain and anger comes healing. Out of despair and disappointment comes hope. Out of the darkness of lies comes the truth. *Effiction*, **eFiction July 2011**,

Running from Solace Nakia R. Laushaul, 2019-04-14 She passed a hard candy over her shoulder as though whatever was in the tiny wrapper was supposed to make it all better. I clutched the peppermint in my hand and buried my face in the hard leather seat while she explained what was going to happen to me. She promised that I'd be safe from then on. And so begins the journey of Naomi whose amazing story picks up where the past and future intersect. As Naomi struggles to hide the ugly physical and emotional reminders of yesterday that insist on haunting her dreams, she crosses paths with a young boy Xavier and his quick tempered mother Mona who both share an interesting story much like her own. *Running from Solace* is an emotional tale which will send you catapulting on a breathless journey beyond breaking points and will finally lead you to believe in the power of accepting what is to be. *White Minority* Talia Clay, 2021-11-05 Afrofuturism meets dystopia in this social satire about a 16 year old white girl chasing her dreams in a world that rejects her. Two hundred fifty years have passed since the AEXT V4 pandemic killed off ninety nine percent of the White American population. Sixteen year old Tansy is a descendant of the one percent, the American elite who survived the pandemic. She lives with her younger sister and grandfather in the rapidly decaying isolation domes her wealthy ancestors built to ensure their survival. Compared to the many other citizens of her township, Tansy lives an envied and privileged life. She's a local celebrity destined for a future as an actress in the American Bureau of Entertainment. She's driven, calculating, and willing to take risks to get what she wants. She loves her life. When the opportunity comes to start anew and leave the domes for good, will Tansy choose to stay behind or will she venture out into a world of unknowns where rumors of an incurable disease and hostile people run rampant? What will that choice mean for her future, her career, ambitions, family, and identity? **Daily Graphic** Elvis Aryeh, 1993-04-29

Undoing Suicidism Alexandre Baril, 2023-05-26 This book proposes a radical queercrip reconceptualization of suicide and assisted suicide, offering the first comprehensive antisuicidist and intersectional theorization of its kind. Alexandre Baril argues that current logics of prevention create a system of structural suicidism that oppresses, stigmatizes, and pathologizes marginalized individuals and communities experiencing suicidality. **The Mirror** E.N.O.
