Bigger Trudier Harris, 2024-06-18 A biography of Native Son s Bigger Thomas that examines his continued relevance in debates over Black men and the violence of racism Bigger Thomas the central figure in Richard Wright s novel Native Son 1940 eludes easy categorization A violent and troubled character who rejects the rules of society Bigger is both victim and perpetrator damaged by racism and segregation on the South Side of Chicago seemingly raping and killing without regrets His story has electrified readers for more than eight decades and it continues to galvanize debates around representation respectability social justice and racism in American life In this book distinguished scholar Trudier Harris examines the literary life of Bigger Thomas from his birth to the current day Harris explores the debates between Black critics and Communist artists in the 1930s and 1940s over the political novel the censorship of Native Son by white publishers and the work s initial reception as well as interpretations from Black feminists and Black Power activists in the decades that followed up to the novel s resonance with the Black Lives Matter movement today Bigger Harris argues represents the knotted heart of American racism damning and unsettling and still very much with us

The Lever of Riches Joel Mokyr, 1992-04-09 In a world of supercomputers genetic engineering and fiber optics technological creativity is ever more the key to economic success But why are some nations more creative than others and why do some highly innovative societies such as ancient China or Britain in the industrial revolution pass into stagnation Beginning with a fascinating concise history of technological progress Mokyr sets the background for his analysis by tracing the major inventions and innovations that have transformed society since ancient Greece and Rome What emerges from this survey is often surprising the classical world for instance was largely barren of new technology the relatively backward society of medieval Europe bristled with inventions and the period between the Reformation and the Industrial Revolution was one of slow and unspectacular progress in technology despite the tumultuous developments associated with the Voyages of Discovery and the Scientific Revolution What were the causes of technological creativity Mokyr distinguishes between the relationship of inventors and their physical environment which determined their willingness to challenge nature and the social environment which determined the openness to new ideas He discusses a long list of such factors showing how they interact to help or hinder a nation s creativity and then illustrates them by a number of detailed comparative studies

examining the differences between Europe and China between classical antiquity and medieval Europe and between Britain and the rest of Europe during the industrial revolution He examines such aspects as the role of the state the Chinese gave up a millennium wide lead in shipping to the Europeans for example when an Emperor banned large ocean going vessels the impact of science as well as religion politics and even nutrition He questions the importance of such commonly cited factors as the spill over benefits of war the abundance of natural resources life expectancy and labor costs Today an ever greater number of industrial economies are competing in the global market locked in a struggle that revolves around technological ingenuity The Lever of Riches with its keen analysis derived from a sweeping survey of creativity throughout history offers telling insights into the question of how Western economies can maintain and developing nations can unlock their creative potential **The Concise Oxford Companion to African American Literature** William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15

A breathtaking achievement this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades It offers an enormous range of writers from Sojourner Truth to Frederick Douglass from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson It contains entries on major works including synopses of novels such as Harriet Jacobs's Incidents in the Life of a Slave Girl Richard Wright's Native Son and Lorraine Hansberry's A Raisin in the Sun It also incorporates information on literary characters such as Bigger Thomas Coffin Ed Johnson Kunta Kinte Sula Peace as well as on character types such as Aunt Jemima Brer Rabbit John Henry Stackolee and the trickster Icons of black culture are addressed including vivid details about the lives of Muhammad Ali John Coltrane Marcus Garvey Jackie Robinson John Brown and Harriet Tubman Here too are general articles on poetry fiction and drama on autobiography slave narratives Sunday School literature and oratory as well as on a wide spectrum of related topics Compact yet thorough this handy volume gathers works from a vast array of sources from the black periodical press to women's clubs making it one of the most substantial guides available on the growing exciting world of African American literature **Swamp Man** Donald

Goines, 1974 Includes special preview of Kenyatta's last hit Low Road Eddie B. Allen, Jr., 2025-03-25 FOREWORD FROM THE LATE RAPPER DMX The riveting biography of Donald Goines one of the most authentic Black voices in American fiction that explores the raw world of the street smart literary icon and his remarkable legacy in the fifty years since his tragic death Born in post Depression era Detroit to a stable Catholic two parent household and heir to the family business Donald Goines was instead drawn to the streets and to the dangerous lure of The Life No writer would end up capturing it quite like Goines He knew the hustle intimately bootlegging pimping drugs prostitutes gambling and prison Inspired by the revolutionary author Iceberg Slim Donald drew on his own experiences to drop an astonishing sixteen bestselling novels in three short years including Whoreson Dopefiend Daddy Cool and Never Die Alone Ironically the criminal world that infused Goines's brilliant uncompromised and redemptive outlet would be the same one to finally snuff him out In this in depth and updated

The Top Books of the Year Who Killed Donald Goines Grandson The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
