her network boss He dismisses the letter and refuses to authorize an investigation Darcy finding the letter so disturbing takes it upon herself to assign her female Hispanic associate producer to inquire into Dr Miller s Texas border town clinic Darcy s assistant is then found dead near the Texas Mexican border only a few miles from Dr Miller s clinic Darcy becomes convinced that her friend and protege was killed by her ex college school mates to cover up their insidious plan for power and money But how does she prove it Darcy solicits her old college love John Lang former friend of Lodge and Miller and recently fired NBA coach to help her investigate Darcy and John banter back n forth as if they were Nick and Nora Charles from the Thin Man Consequently along the way they both find the lost love they once had for one another in addition to appreciating reaching middle age However how does an aging female television journalist who is fighting the youth movement at the network along with the lack of moral credibility in their stories prove murder and bring down a United States congressman and his highly respected physician partner The twist in the end creates a revelation for Darcy s own self worth and forces her to confront her real motivation to why she pursued Lodge and Miller with such zeal and causes her to make a life changing decision This story not only examines a female s point of view about reaching 50 something in a high profile professional industry but also deals with society s self imposed restrictions on age and the erosion of the truth being replaced with spinning network stories that cater to big business and influential people More importantly it deals with the question can one person make a difference in this world or has society made it impossible to individually matter

Valentine,2024-04-16 Everyone and I mean everyone will give you advice on which way to go with your life Friends acquaintances classmates teammates your friends friends family teachers counselors and neighbors will nose into your business They will want to help you with everything from how to dress to how to act They will tell you what and where to eat where to go and what to do Before you know it your whole life will be planned out for you by someone else If you are susceptible to influencers choose your influences wisely Not all advisors or advice is equal In fact some of the advice coming your way courtesy of well meaning friends or family may be downright awful Truly wise and useful advice will come from very few The world will give you the same crummy advice it gives everyone Get fame Pursue fortune More is better The world consistently perpetuates the lie that fame and fortune will make you happy The world lies Fame and fortune will not fill the void in our heart that was designed to be occupied by Christ Only God can fill that God shaped space within us The world keeps trying and people keep following the siren song down the wide path to happy destruction Happy is hard to define I have determined that Happy is an elusive place All of the world s unfulfilled and dissatisfied people will call you to the same wide path life plan they followed and expect a different result I challenge you to take the narrow road I urge you to trust in the Lord in all your decision making
