**Narratives** Matthew Michael, 2014-05-14 This work is a study in the attribution aesthetics and representations of Yahweh's speeches in the Hebrew Bible It describes the literary elegance and beauty of the speeches of Yahweh in the Abrahamic narratives Employing a synchronic reading of the Abrahamic cycle it underscores the presence of various literary devices in the divine speeches 12 1 9 13 1 18 15 1 21 17 1 27 18 1 33 and 22 1 19 Specifically it engages the high concentration literary effects and use of metaphors metaphoric language similes alliterations wordplays euphemisms hyperboles repetitions allusions and other distinctive literary features in the speeches of Yahweh which are deliberately denied and glaringly absent in the speeches of the other main characters of the Abrahamic narratives e g Abraham Sarah and Hagar Similarly it demonstrates the importance of these elevated speeches in the narrative world of Abrahamic epic Most importantly it also highlights the ideological significance of these decorated speeches of Yahweh to the original audience of the narrator who presumably identified with their excessive optimism and rhetoric Consequently this book is a pioneering work in the contemporary study of stylistics characterizations and functions of attributed speeches in the Hebrew narratives

*Remembering Abraham* Ronald Hendel, 2005-02-03 According to an old tradition preserved in the Palestinian Targums the Hebrew Bible is the Book of Memories The sacred past recalled in the Bible serves as a model and wellspring for the present The remembered past says Ronald Hendel is the material with which biblical Israel constructed its identity as a people a religion and a culture It is a mixture of history collective memory folklore and literary brilliance and is often colored by political and religious interests In Israel's formative years these memories circulated orally in the context of family and tribe Over time they came to be crystallized in various written texts The Hebrew Bible is a vast compendium of writings spanning a thousand year period from roughly the twelfth to the second century BCE and representing perhaps a small slice of the writings of that period The texts are often overwritten by later texts creating a complex pastiche of text reinterpretation and commentary The religion and culture of ancient Israel are expressed by these texts and in no small part

also created by them as they formulate new or altered conceptions of the sacred past Remembering Abraham explores the interplay of culture history and memory in the Hebrew Bible Hendel examines the Hebrew Bible's portrayal of Israel and its history and correlates the biblical past with our own sense of the past He addresses the ways that culture memory and history interweave in the self-fashioning of Israel's identity and in the biblical portrayals of the patriarchs the Exodus and King Solomon A concluding chapter explores the broad horizons of the biblical sense of the past This accessibly written book represents the mature thought of one of our leading scholars of the Hebrew Bible [Two Can Play That Game](#) D. Eric Lowdermilk, 2016-12-22 John 21 portrays seven disciples fishing all night yet catching nothing In the morning a shoreline stranger instructs them to recast their net Surprisingly the disciples fail to recognize him After a miraculous catch and subsequent breakfast however there is no doubt as to who this stranger is Jesus then questions Peter about his love and commissions him to feed Jesus' sheep Using narrative criticism Lowdermilk examines this recognition scene asking How would a reader well acquainted with recognition and deception as portrayed in Genesis understand John 21 He discards trickster terminology and argues that biblical recognition occurs within a context of manipulation After proposing a detailed taxonomy of manipulation he ventures further and argues for patterns in Genesis where manipulators are counter-manipulated in a reciprocal manner ironically similar to their own behavior providing a transforming effect on the manipulator These findings plus a careful examination of Greek diminutives inform Lowdermilk's new reading of John 21:1-19 Peter withholds his identity as a disciple in John 18 and later Jesus actively withholds his identity in ironic counter-manipulation mirroring Peter's denials Jesus' threefold questioning of Peter continues the haunting echoes of Peter's earlier denials Will it result in a disciple transformed *The Oxford Handbook of Biblical Narrative* Danna Nolan Fewell, 2016 The Oxford Handbook of Biblical Narrative is a state-of-the-art anthology that highlights biblical narrative's aesthetic characteristics its ethical and religious appeal its organic qualities as communal literature its witness to social and political negotiation and its uncanny power to affect readers and hearers across disparate time frames and global communities
