

# Conclusions!!

- What is a Conclusion?
  - A conclusion is a definite ending whereby the reader of the essay will feel that the ideas are tied together and that the essay has been completed.
- Why do you need a Conclusion?
  - Essays need endings. Including a conclusion shows the reader you understand the proper structure of the essay and have implemented it successfully.
- How do you create a conclusion?
  - Think of your essay as if it were a circle. You started at one point and now (in the conclusion) you need to bring everything back around again to complete the loop.
