Use each body paragraph to focus on one symbol in particular. Introduce symbol and where it is prominently shown in the book. Continue by explaining and evaluating its purpose to the novel and its effect on the storyline and characters.

- I. **Intro**
 - II. **Symbol One: Location**
 - III. **Symbol Two: Weather**
 - IV. **Symbol Three: Colors**
 - V. **Symbol Four: Green Light**
 - VI. **Conclusion**
- I. **Intro**
 1. Introduce what to expect in paper.
 2. Provide an overview of the symbols that will be analyzed.
 3. Mention the importance of symbols to a novel.
 - II. **Symbol One: Location**
 1. Introduce the symbol of location.
 2. Explain importance of Valley of Ashes, East Egg, West Egg, New York City, etc.
 3. Analyze the purpose of location as a symbol (displays social class, conflict between locations, similarities and differences between characters)
 - III. **Symbol Two: Weather**
 1. Introduce the symbol of weather.
 2. Explain importance of the hot summer days, rainy visit with Daisy, and the heat again during the drunken feud.
 3. Analyze the purpose of weather as a symbol (parallel to emotions and turn of events: heat held conflict, rain held disappointment or renewal).
 - IV. **Symbol Three: Colors**
 1. Introduce the symbol of colors.
 2. Explain the importance of colors in relation to the story (emphasis on the color of clothing, perhaps focus on scene where Daisy cries at Gatsby's beautiful clothes).
 3. Analyze the purpose of colors as a symbol (colors of clothing help to develop characters, at times showing personality traits not initially displayed).
 - V. **Symbol Four: Green Light**
 1. Introduce the symbol of the green light.
 2. Explain the importance of the green light to the entire theme of the book (American Dream).
 3. Analyze the purpose of the green light (the unattainable quest that Gatsby has allowed himself to go on for Daisy).
 - VI. **Conclusion**
 1. Briefly recap what was previously said.
 2. Relate symbolism to the theme of the book.
 3. Provide a strong closing.

Foundations of Writing for University Study David Fonteyn, 2024-06-21 This textbook explains the fundamentals of effective academic writing for university studies across multiple genres and formats It is intended for students who are either in the early stages of their university studies or are preparing to enter a university degree One of the ways this textbook differs from other textbooks on academic writing is its focus on the organisation of the English sentence through Theme and Rheme The Theme is what the sentence is about while the Rheme is what is being said about the Theme In the English clause the Theme is at the beginning and the Rheme follows At the same time as the English clause is divided into Theme and Rheme the clause can be understood as a unit of information where New information is provided to Given information One of the central aims of the textbook is to increase awareness of the flow of Given and New information from sentence to sentence and for students to have greater ability in its organisation Moreover New information is formally organised through prosody or rhythm and intonation patterns This approach takes account of English rhythms intonation and stress patterns that accompany sentences and how this relates to writing sentences Through the Theme Rheme and Given New approach combined with an understanding of Genre this book aims to both increase awareness of these aspects of the English sentence and explore how this aspect of English facilitates clearer and more effective writing

The Application of College Admissions P. J. Finer, 2007-08-28 If you are preparing to apply to colleges and universities in the United States you need this book College is one of the most expensive investment students will make Therefore helping students find the right college for them not only makes for happy students but helps parents feel more confident about the result College is not only a big decision that students have to make but it is also the foundation of their future success Students and parents are discovering that schools that a few years ago were considered second and even third tier schools have elevated their standards significantly With substantially more students applying and in some cases

fewer spots available for the select colleges across the country schools are demanding higher grades and have higher test score criteria which seemingly place college out of reach The applicant pool changes annually thus nothing is carved in stone as to which students are accepted and which are not However the best chance of getting in to the school of your choice is to display your passion as to where you are headed in life starting in 9th grade High school seniors and college transfer students know how difficult it is to get into the top tier colleges today Creating a persuasive eye catching application requires creativity foresight and a marketable presentation as to what you can offer that will attract schools That is why the process has to start with a resume The student applying to college today must show schools why they are different from every other student applying If you showcase your abilities through the development of a talented resume and a strong essay admissions committees will have no choice but to fall in love with you Students must figure out how best to present themselves to admissions committees difficulties arise when students begin feeling anxiety their parents begin applying real or perceived pressure and the student crumbles The Applica phobia of College Admissions Why Getting in Starts With Your Resume is a how to guide for students navigating the Applica phobia of the application process Oftentimes students dont know where to start and the entire experience becomes overwhelming This book offers a program that assists students by mapping out the plan that will best suit them The book addresses how to explore your talents skills and aspirationsto create a picture of who you are how to identify the schools that are right for you how to determine which type of application to submit early action vs early decision binding vs non binding exercises to help determine what you can bring to a college or university that will create interest ideas for essay topics a step by step guide to writing a college application essay and sample essays to get your creative juices flowing techniques you can use in the interview to convince admissions committees you are the right candidate for their schools how to put your summers and out of school time to beneficial use with internships jobs and or community service and more Students who fall under The DREAM Act and Student Adjustment Act will have an opportunity to understand this favorable bi partisan legislation and the benefits it offers them and their communities This section also includes a listing of various grants loans and scholarships for which students can apply Colleges and universities across America have one goal to get the best students that fit within their ideals thoughts and personality Your job is to figure out what those components are and how you fit inand this book will help you
