Wicked Gentlemen Ginn Hale

Ginn Hale, Charlie Cochrane

Wicked Gentlemen Ginn Hale:

Wicked Gentlemen Ginn Hale, 2007 Belimai Sykes is many things a Prodigal the descendant of ancient demons a creature of dark temptations and rare powers He is also a man with a brutal past and a dangerous addiction And Belimai Sykes is the only man Captain William Harper can turn to when faced with a series of grisly murders But Mr Sykes does not work for free and the price of Belimai's company will cost Captain Harper far more than his reputation From the ornate mansions of noblemen where vivisection and sorcery are hidden beneath a veneer of gold to the steaming slums of Hells Below Captain Harper must fight for justice and for his life His enemies are many and his only ally is a devil he knows too well Such are the dangers of dealing with the wicked

Point of Dreams Melissa Scott, Lisa A. Barnett, 2012 This sequel to *Point of Hopes* is set in the same detailed late Renaissance world where magic works where astrologers and necromancers are the pundits and powerbrokers Once again it features Pointsman Nicolas Rathe who functions as a sort of policeman and who ends up with a magical mystery to solve

Point of Knives Melissa Scott, 2012 A welcome return to the vividly realized city of Asteiant with its intricate magics and deadly politics *Point of Knives* takes place in the interval between the widely praised earlier novels *Point of Hopes* and *Point of Dreams* A fantastical mystery and a rousing adventure *Point of Knives* also reveals for the first time the beginning of the romance between Adjunct Point Nicolas Rathe and ex soldier Philip Eslingen The events of *Midsummer* have hardly been forgotten by the *Fall Balance* and Nicolas Rathe can hardly complain that they've done any harm to his reputation or to the reputation of the Points in general However it has meant that he's more in demand as an investigator and the increased recognition and workload has made it hard to pursue friendship or anything more with Philip Eslingen his comrade in the rescue of the stolen children Eslingen is still Hanselin Caiazzo's bodyguard and Caiazzo is involved in any number of questionably legal ventures and it does neither of them any good to be seen too often in each other's company When a father and son who are both rumored to have been pirates are murdered on the same night and Rathe finds Eslingen standing over the son's body Eslingen proves his innocence easily enough though he refuses to say exactly what errand he's running for Caiazzo at that hour of the morning But when the old man's grandson and the son's self proclaimed wife quarrel over the son's meager belongings and Caiazzo dispatches Eslingen to represent his interests in the investigation Rathe begins to wonder if their friendship is going to survive Or whether they'll survive at all

Fairs' Point Melissa Scott, 2014 During Dog Moon the chief entertainment in the great city of Asteiant for nobles and commons alike is the basket terrier races at New Fair This year with spectacularly bad timing the massive and suspicious bankruptcy of a young nobleman has convulsed the city leading to suicides widespread loss of employment and inconvenient new laws around the universal practice of betting on the races As well a rash of mysterious burglaries seems to suggest a magistical conspiracy Pointsman Nicolas Rathe is naturally in the midst of all these disturbances as is his lover foreign former mercenary Philip Eslingen When Eslingen receives a basket terrier puppy in the redistribution of the bankrupt's

household goods he makes the best of it by having the pup trained for the races an action that draws him and Rathe deeper into the coils of a mystery somehow involving New Fair s dog races bookies and bettors the bankruptcy and its causes and fallout burglaries and a new uncanny form of murder Fourth in the Astreiant series Fairs Point once again demonstrates Melissa Scott s mastery of fantasy world building detective story plotting and the provision of sheer delight
