Landon Ferguson, 2006-04-07 From the beginning of time evil forces have plagued mankind One particular dark entity in the form of a giant tree makes its way through the history of man invoking evil a faceless supernatural force that manifest itself in order to conquer the world at the new millennium Provocative and disturbing this controversial epic novel reveals the weakness in man's ability to recognize and fight an invisible force the dark side Can a single man defend and save the world **Special Sos** Emmanuel Oghenebrorhie, 2011-04-25 Some say survival actually personal survival is the first law of life It is natural to strive for survival under any circumstance and God have nothing against it Jesus commended the acclaimed shrewd manager whose story He told in Luke 16 1-9 God expects that we use our earthly life to secure eternal bliss through living by unwavering faith in Him The mention of Tamar Judah's daughter in law Rahab the Jericho harlot turned member of the commonwealth of God's chosen people Israel and Ruth a Moabitess among the matriarchs of mankind's Messiah teaches that adopting personal survival strategies is acceptable as long as they are done with faith in God **Bibliotheca Britannica; Or, A General Index to British and Foreign Literature** Robert Watt, 1824 **The Traveler** Mary Talbert, 2006-09-18 In reading this book you will find it to be very unique and very different from most books you have ever read The Traveler is a true story of a woman whose name was called out by the voice of God three times A woman who has been set apart and called out In reading this story it will reveal how God step by step dwelt with her alone the paths and journey he set for her travel This is the reason this book is titled The Traveler Volume 1 In writing this story it will allow you to know that there are true and real people who walk the earth as a Traveler one who goes and speaks as God tells them to do You will find this book to be heart

warming with great pain and long suffering and in the end you will find the Prophetess to come out a winner in the end The story of the Traveler will touch your heart There is the light and the light is still standing and that light is God I do hope this small book will be strength to all of God's people here on this earth I hope and pray that it will give you proof that somewhere on this earth there is another traveler of God who is going through some of the same evils that has been put upon you as well Evil in such a manner that we as a people cannot talk about But see the demons in the people on these jobs and churches and on the streets day by day This book is also a way of trying to alert God's people how these evil demonic people work through other people And how they use other people upon you and against you and how they can cause people to hate you through their powers of telepathy Yes they are evil So many of you are destroyed in finances marriages and jobs and you never knew how or what hit you Yes you have been made to suffer and never knew the enemy was with you in your own homes listening to you praying aloud Listening to your telephone conversations watching you and destroying you from the inside of your very homes So we must let our words be few and seasoned with grace In Other words let us be careful what we say when we speak Because these evil people are there in our homes watching us and we cannot see them because we are of God and in God Don't Fear them but rather God in heaven who is able to kill both body and soul in hell **The Promised**

Land Patrick E. Thomas,2013-02-08 The Promised Land tells of a warrior angel anointed by God to punish those who have turned to evil and save those who suffer but whose faith never falters Vengeance will rain down on those who do the bidding of the evil one The land that God created has lost its purity and splendor due to the plague of filth and corruption brought by man God is deeply hurt and disappointed by what Satan has done to God's most precious creations and by these creations choice to embrace evil and turn their backs against the Lord To stop evil from shrouding the world in its gloomy veil God summons his warrior named Zorra Armed with his faith and the power given to him by God Zorra enters the world of mortals to destroy the evil that threatens to bring mankind apart Zorra's entry to the world leads him to Hampshire England He immediately notices the suffering of the Jews and the cruelty of the rich and powerful with King Richard the ruler of England as the worst of them all Zorra knows King Richards demise is the key to restore peace in the kingdom But God does not want King Richard to die the former still wants to give the latter a chance to repent and change his ways King Richard might resist but Zorra is determined to end the king's cruelty to the Jews and save God's chosen people from the ruler's cruel hands To do this Zorra must return the Jews to Jerusalem The Promised Land *Crystals* Charles Watkins,Margie Watkins,2008-08-30

Crystals is the story of two boys in the time of trolls dragons and giants It is of knights of good and evil It is of kings and wizards both good and evil The adventures of these two friends who are trying to save all from the evil they meet along the way The suspense is nerve racking spine tingling and magic beyond belief It is not only horrifying but in some places very gruesome It has a surprise ending that makes you want to read on and on It is Harry Potter and Steven King wrapped up into one suspense novel **Mirror of Opposition** T.S. Robinson,2010-02-04 Mirror of Opposition chronicles the physical mental and

spiritual maturation of three adolescent boys who begin their journey as friends training to become samurai warriors at a prestigious dojo. Along the way their paths soon split apart after an ancient evil destroys all that they know, putting them on their own soul-searching journeys: one alive, one dead, and one undead to manhood. Eventually their supernatural paths cross again as they are reunited during an epic battle that will ultimately pit their childhood friendships against everything they have come to know and stand for as men.

Robert's Secret Simon Mandl, 2012-10-15. Adventurous Robert decides to walk across a frozen lake. Suddenly he falls through the ice and sinks to the bottom where he meets an elf with magic powers. Distraught and desperate, the elf tells Robert that his two sons are being held hostage in a house by the lake. Eager to help others, he offers to rescue the young elves. Robert discovers that the only way into the house is by going down the chimney. He climbs up a tree, drops onto the roof, and enters the house by descending the chimney. He locates the two boys, and with his unique bravery, he helps them escape from the terrible traps in which they have been imprisoned. They have to find a way out of the house before their evil captor returns. The elves have been taught some magic by their father, and they are able to use this on a key that Robert finds in his pocket to unlock the front door. They are reunited with their father, who promised to give Robert a present for having saved his children. Robert gives them the key to his garden shed in case they should ever need refuge above ground.

The Witch of Eden Falls D.R. Kupka, 2012-11-08. A night of joy ends in tragedy as Robert and Loraine Cordette are involved in a car accident. As her husband lay dying, an old woman offers Loraine a gift: her husband's life in exchange for her first daughter's essence. Apprehensive but afraid to lose her husband, Loraine takes the deal and loses consciousness. Several days pass, and Loraine wakes in the hospital. She learns that none of the events from the accident is as she remembers. The doctor blames her head injury for her altered memory, and she begins to believe the explanations until she discovers there is a new baby on the way. Nine months later, Diana is born. As the young girl grows, Loraine knows something is wrong. Diana is smart, strong, manipulative, and wicked. Robert blames Loraine for the girl's behavior, but Loraine knows the truth: The Witch of Eden Falls stole her real daughter from her, and all that remains is a shell of pure evil that is ripping her family apart. Will the witch claim what is hers, or can Loraine save her family from the evil that is dwelling within?

British Books, 1908

Object of Balance Lesley Fisher, 2014-05. Object of Balance is a fantasy about nine little fairies who find themselves embarking on a great quest through hostile lands to save their world. Andel: It is a race against time. They must find one of the objects the great wizards were using to keep everyone in their world safe. It has been stolen from the wizards, and it must be found and brought back before it is too late. What the creature that stole the object didn't know was that the object was keeping something even more evil back. Without the object, their world will become riddled with all the storms the elements can throw at them. It is not all bad. The fairies do find that through their travels, they meet many new creatures who become their friends and allies. Well, with the fate of the world in the balance, wouldn't you be willing to help? When the wizards told the fairies they had to go and get the object back, they were shocked. How could nine little fairies

possibly do this The object itself was bigger than all of them put together The wizards told them they had to there was no choice The wizards could not go as they had to stay and hold the other evil at bay until the object was put back into its place Still the fairies worried but did as they were told They would find a way Object of Balance is a warm and wonderful tale full to the brim with many different characters that I hope everyone of all ages will love There are ferocious dragons a giant as tall as a mountain ogres witches trolls and so many others It is family oriented and it has many lessons to be learned Enjoy
