

so when me and Sarah got to the party I ran into one of my ex-bf and I'm guessing you know how I kinda get horny when I drink. He was flirting with me while I was texting you and rubbing his hands on my sides and my stomach and ass and I was rubbing his dick. We went to this room to kiss and then he shuts the door and locks it. I took my shirt off and while he took off his shirt I took off my pants and then he took off his. we made out naked for a few while he fingered me then he laid down I started to suck on his dick while he played with my pussy then he pushed me over then stuck his dick inside my wet pussy and fucked me hard then I got on top and fucked him for a few then he got up bent me over the bed and was pulling my hair fucking me hard and Sarah walked in on us but we didn't stop then he pulled out grabbed my head and started fucking my mouth hard until he cummed all in my mouth and now we are sitting outside talking while he rubs my pussy under a blanket in front of people lol. I will call you in a few I think he wants to fuck before we leave then ill come home really wet and smelling like sex and u can fuck and lick me all over.
