Wild Women Painters Of The Wilderness:

Wild Women Joyce Burkholder, Kathy Haycock, Linda Sorensen, 2014 Art Women s Studies WILD WOMEN is a celebration of the wilderness as seen through the eyes of three women artists Joyce Burkholder Kathy Haycock and Linda Sorensen The book presents reproductions of each artist s paintings and photos of the artists at work in the landscape and in their studios followed by a series of conversations that illuminate and compare their individual approaches and techniques WILD WOMEN PAINTERS OF THE WILDERNESS is a beautiful art book that is also a strong statement by women about recording sharing and preserving the Canadian wilderness It introduces to a wider public a group of contemporary professional women painters who work together and support each other in their mutual goals Each has a back to the land experience that draws her to this remote rural area and connects her to the wilderness Wild Women ,2014 *Earthcare* Carolyn

Merchant, 2014-02-04 Written by one of the leading thinkers in environmentalism Earthcare brings together Merchant s existing work on the topic of women and the environment as well as updated and new essays Earthcare looks at age old historical associations of women with nature beginning with Eve and continuing through to environmental activists of today women s commitment to environmental conservation and the problematic assumptions of women as caregivers and men as dominating nature **Angels of Art** Bailey Van Hook, 2004-06-11 Images of women were ubiquitous in America at the turn of the last century In painting and sculpture they took on a bewildering variety of identities from Venus Ariadne and Diana to Law Justice the Arts and Commerce Bailey Van Hook argues here that the artists concepts of art coincided with the construction of gender in American culture She finds that certain characteristics such as ideal beautiful decorative and pure both describe this art and define the perceived role of women in American society at the time Most late nineteenth century American artists had trained in Paris where they learned to use female imagery as a pictorial language of provocative sensuality Van Hook first places the American artists in an international context by discussing the works of their French teachers including Jean L on G r me and Alexandre Cabanel She goes on to explore why they soon had to distance themselves from that context primarily because their art was perceived as either openly sensual or too obliquely foreign by American audiences Van Hook delineates the modes of representation the American painters chose which ranged from the more traditional allegorical or mythological subjects to a decorative figure painting indebted to Whistler Changing American culture ultimately rejected these idealized female images as too genteel and eventually too academic and European *Angels of Art* is the first study to discuss the predominance of images of women across stylistic boundaries and within the wider context of European art It relies heavily on contemporary sources both to document critical responses and to find intersecting patterns in attitudes toward women and art Angels of Art: Women and Art in American Society, 1876Ð1914 ,
