The Erotic True Story of The Princess and The Frog Cherie Wilde, Thorne moved toward the bed with predatory grace The candlelight played across the sculpted planes of his body casting dramatic shadows that emphasised every ridge of muscle every powerful line Lorelei s breath caught in her throat as he placed one knee on the silk sheets then the other the mattress dipping beneath his substantial weight His emerald eyes glowing with ancient hunger devoured the sight of her spread before him a royal feast awaiting his pleasure Wider he commanded his voice a low rumble that seemed to vibrate through the very air His large hands settled on her inner thighs applying gentle but irresistible pressure Let me see what you ve prepared for me Lorelei obeyed without hesitation spreading her legs until the cool night air kissed her most intimate place The Erotic True Story of The Princess and the Frog is a sizzling no holds barred retelling of the classic fairy tale rewritten for those who crave their fantasy with a whole lot more heat When the beautiful and curious Princess Lorelei slips into a secluded forest pool for a naked swim she encounters Thorne a talking frog with a dark secret and a sinfully deep voice Intrigued Lorelei brings him back to her palace where she learns the shocking truth Thorne transforms into an impossibly handsome man each sunset And once the sun goes down Lorelei discovers just how powerful his appetites are and how eager she is to surrender to them Thorne is everything Lorelei has ever fantasised about dominant passionate and devastatingly well endowed Their forbidden trysts soon spiral into decadent nights of erotic debauchery

joined by a pair of Lorelei's insatiable ladies in waiting But not all is pleasure and play Lorelei's jealous stepsister has her eye on Thorne and she's willing to do anything to steal him away This is not the bedtime story you remember The Erotic True Story of The Princess and the Frog is raw wicked and utterly unfiltered From Cherie Wilde author of The Erotic Adventures of Snow White The Erotic True Story of Beauty and the Beast and Pussy in Boots comes her most decadent fairy tale yet You'll never look at frogs or princesses the same way again

The Erotic True Story of Beauty and The Beast Cherie Wilde, 2025-02-19 Elle flushed with a feverish anticipation sprawled across the oak table With a carefree giggle she arched her back and the remains of their feast clattered to the stone floor It was a symphony of chaos each porcelain shard and silver utensil heralding the carnal rapture to come The beast towered above her his chest heaving with a hungry intensity that mirrored the wild thrum of her heart Impatience clawed at him an untamed creature desperate for release With a growl that resonated through the castle walls he tore at the fine fabric of his garments shredding it from his body as if it were mere parchment Buttons flew like glistening jewels his breeches succumbing to his fervent urgency and at last he stood revealed a portrait of raw virility and primal desire This is not the fairy tale you grew up with This is a story of sinful pleasures untamed passion and a castle filled with wicked temptations When Elle Rousseau sacrifices herself to the Beast to save her father she expects cold dungeons and lonely nights Instead she's thrust into a world of forbidden indulgence and dark aching desire The Beast is a brooding devastatingly powerful creature of raw masculinity dark desires and no mindless monster His presence commands submission his voice is a growl of temptation and his touch is enough to set Elle's body aflame But he's not the only distraction Elle faces His mischievous household staff including a dominating gardener a sultry maid and a well-endowed butler ensure that life at the castle is never dull And when three raunchy fairies get involved things take an outrageously sinful turn Lush decadent and deliciously sinful The Erotic True Story of Beauty and The Beast is a tale for those who want heat romance and untamed passion in equal measure This is not a children's story this is a fairy tale meant to be devoured after dark

The Reality Effect Joel Black, 2013-08-21 It used to be only movies were on film now the whole world is The most intimate and most banal moments of our lives are constantly recorded for public consumption In The Reality Effect Joel Black argues that the desire to make visible every aspect of our lives is an impulse derived from cinema one that has made life both more graphic and less real He approaches film as a documentary medium that has obscured if not obliterated the line between reality and fiction To illustrate this effect Black traces the uncanny interplay between movies and real life events through a series of comparative analyses from Lolita and the murder of JonBenét Ramsey to Wag the Dog and the Clinton scandal to Crash and Princess Diana's violent death

The Erotic Confessions of Cinderella Cherie Wilde, 2025-03-21 Cinderella her golden tresses wild from her recent tryst glided across the ballroom floor The scene around her continued to unfold with the debauched elegance befitting the kingdom of Amoria a bacchanal tapestry woven with threads of lust and abandon Moans and cries harmonised with the distant strains of violins as bodies undulated in rhythmic

sin Men and women adorned with nought but sweat and shadows cavorted under the flickering candlelight that cast their writhing silhouettes against marble walls In the wickedly decadent kingdom of Amor the pleasure isn't just embraced it's expected The royal palace is a den of indulgence where bodies entwine to celebrate desire and excess But for Cinderella trapped beneath the cruel rule of her stepmother and stepsisters the world of silk sheets and heated whispers is just out of reach She spends her days scrubbing floors and biting her tongue but her nights They belong to stolen moments in the shadows tangled in the arms of eager lovers who know just how wild she can be Then comes the invitation the event of the year a palace orgy dripping in excess and carnal indulgence With the help of a sultry fairy godmother with magic as dark as her desires Cinderella arrives not as a trembling maiden but as a woman ready to be devoured Dante the crown prince notorious for his carnal appetites has never met a challenge like her But Cinderella isn't just here to be conquered she's here to seduce take and shatter expectations But at dawn she vanishes into the night leaving him hungry desperate and obsessed Now the Prince will stop at nothing to find Cinderella And when he does This time he won't let her go This isn't the Cinderella you grew up with This is a fairy tale for the daring and wicked
