The Pen And The Faith:

The Pen and the Faith Kenneth Cragg, 2013-04-15 What is happening in Islam is of concern to more than Muslims The Qur'an is the prime possession of Muslims how then are they reading and understanding their sacred Book today This volume originally published in 1985 examines eight writers from India Egypt Iran and Senegal Their way with the Qur'an indicates how some in Islam respond to the pressures in life and thought associated in the West with thinkers such as Kierkegaard Marx Camus Kafka Jung Fanon and De Chardin **The Pen and the Faith** Kenneth Cragg, 1985 [The Pen and the Faith](#), 1985

The Pen and the Faith Kenneth Cragg, 2008 **The Pen and the Faith** Kenneth Cragg, 2008 [The Language of Faith in Southern Africa: Spirit World, Power, Community, Holism](#) Hermen Kroesbergen, 2019-12-12 The aim of this book is to provide a way to do justice to an African language of faith In systematic theology anthropology and philosophy of religion similar debates about how to interpret an African language of faith are ongoing Trying to avoid the othering discourses of past generations scholars are careful to take seriously what people in Africa say without portraying people's beliefs as weird or backward Yet in their desperate attempts to avoid othering these theologians anthropologists and philosophers often painfully misconstrue the language of faith in Africa Understanding the language of faith in Southern Africa is not an easy task How should we take seriously the form of language that often seems so strange and different I argue that after African inculturation theology and black liberation theology a better way to make sense of being a Christian in Southern Africa is to pay close attention to people's language of faith The way in which people speak of the spirit world or powers in Africa appears strange to outsiders and the sense of community and the holistic worldview differentiates the African way of life from its Euro American counterparts When proper attention is paid to the use of concepts like spirit world power community and holism language of faith in Southern Africa is neither as strange as it may seem nor as romantic By investigating these distinguishing concepts that colour language of faith in Southern Africa this book contributes to future projects of both fellow theologians who try to construct a contemporary African theology and those who are interested in theology in Africa given the well known southward shift of the centre of gravity of Christianity [The Gayworthys, by the author of 'Faith Gartney's girlhood'](#). Thomas Aquinas on Faith, Hope, and Love Christopher Kaczor, 2020-10-30 Thomas Aquinas on Faith Hope and Love is designed to make as easy as possible a first reading of key passages from the Summa theologiae This book contains selections from the Summa that are most influential most important or likely to be most interesting to the contemporary reader The text of the Summa itself is edited and arranged for beginners Each article begins with Thomas's answers to the question at hand and then goes to the first objection followed by the reply to the first objection the second objection and its reply and so on This arrangement provides a greater accessibility and ease in following the argument Below the text copious footnotes illuminate the text as a professor in the classroom might Some notes provide historical background to figures that Thomas presupposes his reader will know such as Gratian Dionysius and Lombard Other notes offer doctrinal summaries of other parts of the Summa that illuminate what Thomas says about faith hope or love Thomas had an enormous influence on theologians Church councils and popes after his time so some footnotes examine this influence Thomas drew heavily on sources of wisdom before him so other footnotes summarize the teachings of earlier authors such as Aristotle and Augustine This book also contains introductory essays on the Summa on faith on hope and on love which provide an overview to situate the reader and place treatment of the theological virtues in its larger context of the Summa For those who have never read Thomas Aquinas on faith hope and love and for those who teach them this book provides ready access to the wisdom of the Angelic doctor **Faith Moves Mountains** Thomas Kruger (The Poet), 2022-11-03 I had never read the Bible before til that

day I turned forty years old We were going through some hard times and I took our big dusty Bible down from the mantel to see if I could find some answers there And as I opened it up the words jumped up off the pages and hung there in the air He got a hold of me right then and there and then blessed me with the gift of verse that I might in this way bless his Holy Name It s now been over forty years since that day and this is book 9 of the poetry that he has blessed me to write I am presently working on poem book number 10 Thus far I have written over 1 500 poems God has blessed me with so many miracles that I cannot praise him enough I take everything to him in prayer with faith in believing and I know that he answers in his own way that I may receive his best and of his Holy Name I will continue to write to his glory as long as I have the breath of life He continues to fill my soul with his blessings and miracles as I give to him through these poems all the glory and praise Amen PS The bureau of motor vehicles sends me the POET license plate every year and have done so for many years **The**

Druze and their Faith in Tawhid Anis Obeid,2006-07-06 As a small sect that emerged from Islam over a thousand years ago the Druze religion and society has long been cloaked in a tradition of secrecy Veiled from the outside world the religious tenets have been vulnerable to distortion misunderstanding and misrepresentation In this book Dr Anis Obeid a Druze layman provides a penetrating analysis of Druze scriptures and beliefs Tawhid Presenting a chronological narrative of the foundation and development of the faith he explains the historical conditions and religious rationale behind this closed religion The Druze faith is the product of Abrahamic monotheism as it coalesced with other philosophies belief systems and political structures of the West and the East and as Obeid maintains should be recognized for its core monotheism and not fundamentally different from Judaism Christianity or Islam He argues convincingly with examples and translations from the Druze scriptures only now accessible to a non initiate public that Tawhid is a progressive and dynamic spiritual process based on freedom of choice This rich exploration of their faith the author s appeal for a sincere cultural dialogue will resonate with a wide audience in the West and in the Middle East **The Gayworthys, by the author of 'Faith Gartney's**
