King's Convenient Bride (Royal Seductions, Book 1) / The Illegitimate Prince's Baby (Royal Seductions, Book 2) / An Affair with the Princess (Royal Seductions, Book 3) (Mills & Boon By Request) Michelle Celmer,2014-06-01 The King s Convenient Bride Prince Phillip had sworn to do his royal duty even agreeing to the traditional loveless arrangement But when he suddenly ascends the throne and meets his intended bride Hannah Renault all his plans are suddenly forgotten For there is nothing suitable about his feelings for his bride to be His Scandalous Commands Elizabeth Lennox,2016-11-14 **His Indecent Proposal** Elizabeth Lennox,2016-12-12 Kara James was not that kind of woman And if Hunter West thought he could simply kiss her senseless and get her into bed well She wasn t going to be his one night stand So why was he back in her life And why was he demanding to purchase the most beautiful perfect lake house she d ever seen And why did he keep kissing her as if she was the only woman in the world that mattered Hunter West had lost the beautiful voluptuous red head six months ago But no matter how many women he dated none could get the fiery woman out of his mind So he was going to get her back And he was going to figure out why she kept running away from him One way or another the lovely Kara James was going to be his The mysterious woman with all of her secrets was going to reveal all to him *Pregnant with the Sheik's Baby* Elizabeth Lennox,2016-02-19 In Montreal for political reasons Sheik Ramzi del Abbas Samara discovers the lovely Mia Fortelle Her eyes capture him and after a brief but powerful courtship he convinces the lovely woman to marry him As ruler he understands his role and the need to find a wife and produce an heir But until he finds Mia he has resisted that irksome responsibility For three incredible months Ramzi believes that he has found heaven And then the unthinkable happens He finds her in the arms of another man Mia is dumbfounded After so many nights in Ramzi s arms blissfully loving the incredible man she finds herself ousted from his life without any way to defend herself And what s worse Mia is pregnant Pregnant alone scared and still in love with her husband **THE AWAKENING** ANUJ BHATNAGAR, Preface The story of Lord Buddha is the most read story in the world This is one story that is beyond the boundaries of religion culture and society The story is being told and retold for almost more than two thousand and five hundred years yet what happened at that time from the birth of prince Siddhartha till he attained his Nirvana is very enigmatic Not much written evidence is available for that while lot of literature is available for what happened after Nirvana This story is just an attempt to tell the world what would have happened at that time when seen in the logical context of human boundaries This story is only upto the point when monk Gautam attains Nirvana Further attempt to tell the story after Nirvana when Gautam became Buddha will be made after the outcome of this attempt We know some stories connected with prince Siddhartha his life and these stories are scattered here and there in various books Jatakas contain the previous birth stories of Lord Buddha But there is no such consolidated book which can be ascribed to prince Siddhartha s life The author has made an attempt to collect all such stories and thread them into a garland The result is this book In the attempt some literary and fictional additions have been done But in the end the author is sure that the readers will like the storyline Kapilvastu was not a huge kingdom Its name is

not included in the sixteen or twelve Mahajanpadas It clearly indicates that Kapilvastu was a small principality within the kingdom of Kosala The rulers of Kapilvastu were descendants of great Ikshavaku who was also ancestor of the rulers of Kosala It clearly means that the rulers of Kapilvastu and Kosala were related by blood And as per the tradition the throne was passed to the eldest son of the king and the younger son became vassal ruling small principalities within the kingdom owing allegiance to the king This would have happened at that time too within the kingdom of Kosala The story has been developed accordingly Kapilvastu was surrounded by Mahajanpadas and as such its polity was influenced by the neighboring kingdoms Many events happened in the neighbouring kingdoms and that had a bearing in the future of Kapilvastu and hence Siddhartha These events have also been included in this story to give the story a flow These incidences and events are of historical significance and happened around the same time though the interpretation of these events is of author s own Some texts point out to the fact that Siddhartha was married to Yashodhara a princess from the neighbouring kingdom of Koliya Some texts point out that Siddhartha had three wives namely Yashodhara daughter of Dandapani Mrigdja daughter of Kinkinishwar and Gopa daughter of Kanika It is not sure which one is the right fact In this book Siddhartha is shown to be married only to Yashodhara as the Shakyas wanted to preserve their lineage hence marriage within community was allowed Also one man one woman formula was propagated Thus it would have been not possible for Siddhath to marry three girls The purity of Shakya race was declared by the Buddha himself in Ambattha Sutta The predictions of sage Asit were not told to Prince Siddhartha till this was finally revealed to him All through his life as a prince Siddhartha was kept away from four signs sage Asit told an old decrepit man a diseased man a dead man and a monk In this story it is emphasized that king Shuddhodan had forbidden presence of anybody who could remind Siddhartha about these signs Siddhartha virtually grew in controls of the palace This is author s idea to develop the story forward The author is of belief that Buddhism was born after Buddha i e after Siddhartha attained nirvana Before Buddhism there was Vedic religion and the Vedic philosophy The same concept is used in this book to show what Siddhartha was taught by his teachers Master Arada Kalama and Master Udrak Ramputra Arada is depicted as an exponent of Raj Yoga techniques whereas Udrak is depicted as master of Hatha Yoga techniques Siddhartha learnt both these techniques under these masters This can be seen in the various teachings of Lord Buddha In the Heart Sutta Buddha explains about emptiness and form This is nothing but something that can be explained and attained through combination of Raj yoga HathaYoga and Laya Yoga The author would like to mention that the philosophy depicted in the book have been told to him by his guru Shri Shri Shibendu Lahiri and sometimes it is verbatim And what has been given in the book is just a drop in the ocean There is much more to learn from him In the book an attempt is made to describe the psychology of Prince Devdatt his extreme hatred for Siddhartha and why he hated Siddhartha Due to this hatred only Devdatt tried many times to kill Prince Siddhartha then Lord Buddha after Siddhath attained nirvana Till Siddhartha was born Devdatt was heir apparent to the throne of Kapilvastu He was eldest in the entire family for four

brothers Shuddhodan Shuklodan Amritodan and Dronodan Shuddhodan's wife Queen Mayadevi could not conceive for almost twenty years after their marriage. Though there is no concrete evidence to say that yet it is widely perceived to be like this only. In some texts Devdatt is the son of Suprabuddha of Devdaha. In the end of this preface the entire genealogy of Lord Buddha whichever the author could gather is presented for ready reference. And after Siddhartha was born and he became the heir to the throne of Kapilvastu being elder son of the king. This incidence and many more such incidences where Siddhartha was given preference over other princes due to the stories associated with his birth cemented Devdatt's resolution to get rid of Siddhartha. Readers will not find story of Devdatt out of context in this book. In the concluding part of book the Maara is shown to take a human form. Though this is not possible for the negativity to take a form but it was essential to depict the fight monk Gautam had undergone with himself with his own negativity. Only after defeat of his negativity he could attain nirvana. Everybody has to fight with his Maara one day or the other but the fight monk Gautam had with his Maara shows how the negativity sometimes controls the thoughts of even profound persons like monk Gautam. The author is sure that readers would like the depiction of fight between Gautam and his negativity. In order to take the story forward the protagonist should always have some companion to express his mind. Thus the protagonist of this story Siddhartha and later Gautam is shown always in company of somebody Channa Yashodhara or Kondinya. Actually Kondinya may not have met Gautam during his travel to Vaishali but it is shown just to carry the story forward. The story contains many words which are not from English language but from Sanskrit or Pali or Hindi. These words are in italics and their meaning is in the other chapter after preface. These words are used as they explain the situation better than any phrase or word in English. In the end it is hoped that this attempt by the author will be appreciated by the readers. This story should be read as story and not as an attempt to rewrite history. Many incidences and characters may not fall in line with the thinking of people having knowledge about Buddhism. This is a work of fiction and should be taken likewise. However author welcomes the comments from the readers.
