Times University Guide Drama:

A Reader's Guide to Modern American Drama Sanford Sternlicht, 2002-04-01 Sanford Sternlicht presents a comprehensive survey of modern American drama beginning with its antecedents in Victorian melodrama through the present. He discusses the work and achievement of more than seventy playwrights from Eugene O'Neill to Suzan-Lori Parks from the golden era of Broadway to the rise of Off Broadway and regional theater. Sternlicht shows how world theater influenced the American stage and how the views of American dramatists reflected the great American social movements of their times. In addition, he describes the contributions of early experimental theater, the Federal Theater of the 1930s, African American feminist and gay and lesbian drama, and the joyous trends and triumphs of American musical theater. **The Methuen Drama Guide to Contemporary American Playwrights** Christopher Innes, Peter Paul Schnierer, Martin Middeke, Matthew C. Roudané, 2013-12-19 Unrivalled in its coverage of recent work and writers, *The Methuen Drama Guide to Contemporary American Playwrights* surveys and analyses the breadth, vitality, and development of theatrical work to emerge from America over the last fifty years. This authoritative guide leads you through the work of 25 major contemporary American playwrights, discussing more than 140 plays in detail. Written by a team of 25 eminent international scholars, each chapter provides a biographical introduction to the playwright's work, a survey and concise analysis of the writer's most important plays, a discussion of their style, dramaturgical concerns, and critical reception, a bibliography of published plays, and a select list of critical works. Among the many Tony, Obie, and Pulitzer prize-winning playwrights included are Sam Shepard, Tony Kushner, Suzan-Lori Parks, August Wilson, Paula Vogel, and Neil LaBute. The abundance of work analysed enables fresh, illuminating conclusions to be drawn about the development of contemporary American playwriting.

Willing's Press Guide, 1934 A guide to the press of the United Kingdom and to the principal publications of Europe, Australia, the Far East, Gulf States, and the U.S.A. **The Drama**, 1927 **World Encyclopedia of Contemporary Theatre** Irving Brown (Consulting Bibliographer), Natasha Rappaport (Bibliographer), Don Rubin (General Editor), Rosabel Wang (Consulting Bibliographer), 2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world-wide since 1945, plus an index to key names throughout the six volumes of the series. **Drama Magazine** Charles Hubbard Sergei, William Norman Guthrie, Theodore B. Hinckley, 1929 **Drama Box and the Social Theatre of Singapore** How Wee Ng, 2024-03-09 This pioneering study provides an essential guide to the formative years of Drama Box, a leading Chinese language theatre company in Singapore. How Wee Ng presents a compelling narrative of how Drama Box has emerged as a prominent force in the field of theatre for social intervention, effectively amplifying the voices of marginalised communities and establishing itself as a foremost advocate of cutting-edge, socially oriented artistic practice. Ng's in-depth analysis of Drama Box's most influential works during this pivotal period, and his meticulous examination of the social, political, and economic contexts of their productions, illuminate the remarkable balance the company has achieved in its

engagement with government policy censorship and financial imperatives while fiercely defending its artistic autonomy As well as unveiling the remarkable history of Drama Box the book offers readers a unique lens through which to understand the complex relationship between the arts and state authority and the broader socio cultural and political landscape of contemporary Singapore

Time in Romantic Theatre Frederick Burwick,2022-06-01 The shift in temporal modalities of Romantic Theatre was the consequence of internal as well as external developments internally the playwright was liberated from the old imperative of Unity of Time and the expectation that the events of the play must not exceed the hours of a single day externally the new social and cultural conformance to the time keeping schedules of labour and business that had become more urgent with the industrial revolution In reviewing the theatre of the Romantic era this monograph draws attention to the ways in which theatre reflected the pervasive impact of increased temporal urgency in social and cultural behaviour The contribution this book makes to the study of drama in the early nineteenth century is a renewed emphasis on time as a prominent element in Romantic dramaturgy and a reappraisal of the extensive experimentation on how time functioned

Encyclopedia of Historians and Historical Writing Kelly Boyd,2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

Nevertheless these works occupied a significant place in Ellington's creative imagination and many of the ideas he employed in their composition found their way into his other work. Here is the first book to acknowledge Duke Ellington's contribution to the stage. It offers a survey of every theater piece Ellington is known to have worked on during his lifetime beginning with the 1925 revue *The Chocolate Kiddies* and ending with the unfinished street opera *Queenie Pie*. This large body of work includes full length musicals, African American revues, ballets and incidental music. The plot of each work is described and the score analyzed according to its dramatic function in the piece. Musical phrases are reproduced in the text and associations with other well known Ellington compositions are noted. An appendix provides a chronological listing of Ellington's shows with song titles conveniently listed under each.

A Reference Guide for English Studies Michael J. Marcuse, 1990-01-01

This ambitious undertaking is designed to acquaint students, teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature. Within each of 24 major sections, Marcuse lists and annotates bibliographies, guides, reviews of research, encyclopedias, dictionaries, journals and reference histories. The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate. Although cost-conscious librarians will probably consider the several other excellent literary bibliographies in print such as James L. Harner's *Literary Research Guide*, Modern Language Assn of America, 1989, larger academic libraries will want Marcuse's volume.

Tragic Time in Drama, Film, and Videogames Rebecca Bushnell, 2016-11-14

This book explores how classical and Shakespearean tragedy has shaped the temporality of crisis on the stage and in time travel films and videogames. In turn, it uncovers how performance and new media can challenge common assumptions about tragic causality and fate. Traditional tragedies may present us with a present when a calamity is staged, a decisive moment in which everything changes. However, modern performance, adaptation and new media can question the premises of that kind of present crisis and its fatality. By offering replays or alternative endings, experimental theatre, adaptation, time travel films and videogames reinvent the tragic experience of irreversible present time. This book offers the reader a fresh understanding of tragic character and agency through these new media's exposure of the genre's deep structure.

Times University Guide Drama Introduction

In today's digital age, the availability of Times University Guide Drama books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Times University Guide Drama books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Times University Guide Drama books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Times University Guide Drama versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Times University Guide Drama books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Times University Guide Drama books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Times University Guide Drama books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from

the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Times University Guide Drama books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Times University Guide Drama books and manuals for download and embark on your journey of knowledge?
