

"He [God] whom the Son, who has to live with him!" (John 8:24). For present day Christians, particularly those in the new generation Protestant/Evangelical churches, tithing is a very important subject; one that fellow Christians will frequently use to judge whether you are a true born again Christian or not. The purpose of this book is to educate and hopefully liberate Christians who are finding it difficult to get away from the bondage of tithing. Although this book is directed primarily at Christians whose lives are often affected by many of the issues surrounding tithing, many of the issues covered in this book will also be useful in other areas of life, where financial matters are involved. The lack of understanding about tithing, does not only create confusion and guilt, it can also lead to the financial disaster of many Christians.

Oliver John who is a prolific writer, a scholar and a Christian, lives in the United Kingdom. He was drawn to the subject of tithing in the 1980's during his secondary and university education, when he realised that the same deception and manipulation that is endemic in many religions had also gradually crept into the Church. Since that realisation, Oliver has been gathering evidence for his book on tithing. His conviction to write about tithing was further heightened after seeing many confused Christians who continue to feel guilty about tithing.

Kleptomaniac: Who's Really Robbing God Anyway? Frank Chase Jr, 2016-06-14
KLEPTOMANIAC Who's Really Robbing God Anyway is a trek through the pages of the Bible to find the untwisted truth about the centuries old teachings on tithes and offerings Every page of this book has information that will make you become an analyst in getting to the bottom line of what tithing is in the Old and New Testament It takes you on a journey to first define the word tithe and then breaks down the differences between giving and tithing as the Bible instructs The author attempts to expose what most people believe as fact to bring them to what the Bible actually teaches when it comes to true giving Are the arguments put forth today about tithing fact or fiction This book tackles tough questions like did God ever require a tithe of money Was the contents of the tithe always money in the Bible Who is really robbing God today Did God change the tithe at some point in biblical history Are first fruits money Is the tithe food money or both Is the church the storehouse Did Jesus Paul and the Disciples tithe Did the early church honor a money tithe system Are Christians really cursed for not tithing ten percent of their income These questions will be answered based on scholarship the language and the literature of the original Biblical people Not only will questions be answered for those confused about whether or not they are required to pay ten percent of their income to any religious institution they will learn what the Bible really teaches about money and stewardship The author meticulously examines the word tithe in both the Hebrew and Greek language To understand every Bible verse that contains the word tithe the author gives context and definitive definitions for clarity of the text This book also explains the concept of giving from a New Testament perspective without the mandate of ten percent and explains why the Apostle Paul never mentioned tithing to any of the New Testament congregations From Genesis to Revelation this book is about how to properly interpret biblical terms to arrive at the proper interpretation of a biblical text that refers to money or tithing Because there are pros and cons about tithing the author examines both tithing and non tithing theological camps and presents analysis and conclusions so that the reader can make an informed choice as to how they will give in the future Since money is vital in every part of society and the church this book spends a considerable amount of time detailing how money was used in the Bible to help readers know the difference between tithes and money The tithing phenomenon has been

around for centuries and this book is an expose into the how the current doctrine came into existence and who the culprits were who played a major role in what churches teach today Whether you agree or disagree with tithing as a viable doctrine KLEPTOMANIAC is a back to the past look at Israel s history and how they practiced tithing in a theocracy This book also questions how tithing practices of today affect people financially and how those practices are unlike tithing practices of yesterday Not only does this book challenge the accepted definitions of the tithe it also questions the sustainability of the current practices especially when economic times get tough for people who may not be able to give much From the very beginning to the end of the book everything is supported by Scripture and research You will know from the onset why the author Dr Frank Chase Jr wrote the book and learn about his personal story of what happened as a result of embracing New Covenant giving principles from the New Testament Not only does the book cover the Old Testament tithe it also unveils what the New Testament teaches about giving by analyzing some of the epistles of Apostle Paul concerning his views and instructions on charitable giving

The Giving Crisis Andrew McNair,2023-04-04 The contemporary church faces a financial crisis of epic proportions The reason is simple While wealthier than any generation in history many believers do not consider tithing or generosity to be part of their Christian lifestyle Join the Giving Generation and discover Why you feel poorer despite making more than ever The simplest way to shed financial stress The one thing keeping you from experiencing greater wealth and opportunity How to leave a true legacy to your children An amazing vision for what your generosity can accomplish Genuine joy and freedom in your financial life A Giving Crisis can only be remedied by a Giving Generation I believe we have everything we need to become that generation to learn the upside down world of Christ and become the most generous generation in human history in addition to being the most wealthy If you long for financial freedom boundless joy and deep satisfaction join the Giving Generation

Why Christians Should Not Tithe James D. Quiggle,2009-08-01 The premise of *Why Christians Should Not Tithe* is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed *Why Christians Should Not Tithe* is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian giving Should Christians tithe to support the gospel Here is a study that will help every Christian discover the biblical answer for him or her self

The Spiritual Gifts (Part 1): The Ascension Gifts of Christ and the Functional Timothy K Williams, 2003-10 **You Mean I Don't Have to Tithe?** David A. Croteau, 2010-02-01 Tithing is a well known church practice in our day and age but do churches really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don't Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau's intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic **The Great Tithing Debate** A. Bruce Wells, 2007-03-16 Finally there's a book that uses sound rightly divided doctrine and wisdom to answer all your tithing questions No longer will you have to rely on opinions clichés wishful thinking passed down deceptions legalism or plain ole foolishness just to know what is required of you and where you stand with God The Bible is very clear for those who want to know All of your questions are thoroughly answered in THE GREAT TITHING DEBATE The huge list of tithing questions compiled over years of waiting for tithing to finally work hinges on an exhaustive knowledge or lack thereof concerning exactly what Jesus fully accomplished at the cross When the reality of redemption is properly understood most questions disappear and the once shaky believer finds that not only is he now standing on solid rock but has actually become part of that rock When redemption is fully understood one realizes that the act of tithing to open heaven or provide anything that Jesus freely gave at the cross is actually an insult to the suffering He endured at the cross Yes tithing worked in the Old Covenant as a part of the total Law but has absolutely no place in the New Covenant that provides everything Romans 8 32 through the blood of Christ Peter counted such teaching as tempting the Holy Spirit in Acts 15 Paul obviously had the same opinion in most of his writings for those who will read them

without wearing their tithing glasses We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the NT likewise tithing is no longer obligatory Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Would you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And finally wouldn't it be nice to have a royal ring put on your finger a kingly robe put on your back and a big hug of approval without having to sleep in the bunk house as a servant until it's decided that you can be trusted So this is a book about salvation something that the church seems to know little about Beyond forgiveness of sins today's church seems to be unaware and uninterested in understanding redemption This vacuum has left us open to a myriad of opinions questionable doctrines and even deception This book endeavors to fill some of that vacuum You should get a copy and explore the possibilities of the complete redemption that God intended for us to enjoy Examine the free preview below and taste and see that the Lord is good even much better than we've been taught Hopefully pride a rampant byproduct of legalism and performance won't keep you from hearing Maybe you're still teachable and open to God's leading even if you're already pretty sure you have a good understanding of the duties required of a genuine Christian DO YOU KNOW THAT Malachi was *Renovator's Handbook for Transforming the Christian Soul* Gilda Baise, 2018-10-25 Why Renovation Do you not know that you are a temple of God and that the Spirit of God dwells in you 1 Corinthians 3:16-17 Renovation is the process of working with Christ to repair the emotional damage our souls have suffered and to remove the trash of worldly thinking that has accumulated over the years so that we may live victorious lives in Christ What this book will teach you to do Remove the causes of ongoing emotional pain that manifest in feelings of worthlessness rejection bitterness trust issues addictions self-hatred anger fear hopelessness and depression Remove beliefs values attitudes vows and agreements with things opposed to God and His characteristics of love mercy and holiness that result in sin These things having been set in motion at some point in our lives continue to bear fruit today even though we belong to Christ Like Paul we find ourselves doing the very things we hate So the workmen labored and the repair work progressed in their hands and they restored the house of God according to its specifications and strengthened it 2 Chronicles 24:13 *Economics in Christian Perspective* Victor V. Claar, Robin J. Klay, 2015-04-21 Victor Claar and Robin Klay introduce students to the basic principles of economics and then evaluate the principles and issues as seen from a Christian perspective This textbook places the economic life in the context of Christian discipleship and stewardship This text is for use in any course needing a survey of the principles of economics **Perspectives on Tithing** David A. Biblical Theology of Material Possessions Gene A. Getz,2012-04-01 Some researchers estimate that evangelical Christians give an average of 2 percent of their income to further the kingdom of God Such a practice reveals a theology of material possessions that is clearly out of line with God s Word Gene Getz in an extensive search reveals intriguing detailed information on the subject of material possessions based on Scripture The synthesis of this and selected extrabiblical literature resulted in the formation of more than 120 biblical principles that can be applied by any person in any culture Dr Getz not only shares these principles but offers guidance for church leaders and laypeople who want to apply them in their church **Kiplinger's Personal Finance** ,1999-05 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **The Manual** Dawn Sutton,2008 The Manual has the answers you have been seeking whether you are a new Christian just beginning your journey of faith or whether you are a mature Christian struggling with a particular issue Dawn Sutton shares her counseling expertise on a myriad of topics including anxiety depression grief forgiveness dating sexuality relationships how to know God s will accepting God s love effects of abuse joy robbers how to renew your mind and much more Don t let your questions go unanswered when they are available to you today in The Manual *Just for Men* David Nichols,2007-08 Just for Men A Practical Daily Devotional for Men inspires encourages and strengthens the everyday man in his daily walk with God Following topic related scriptures each days commentary is written in a straightforward practical approach addressing real issues facing todays Christian man Christian *The Ninety-Sixth Thesis* Brian A. Bompiani,2020-09-29 Five hundred years ago Martin Luther posted his ninety five theses or grievances to the door of the All Saints Church of Wittenberg and condemned the Catholic Church s teaching of indulgences as nothing but a scheme to raise money for the church It is a supreme irony of history that five hundred years later it is now a subset of the Protestant Church that is defrauding the faithful The Catholic Church s teaching of indulgences and the evangelical movement s teaching of tithing to be blessed are substantially the same and lead to the same result In both cases the church walks away with a bag of money and the Christian walks away with a bag full of empty promises This book explains why I am losing faith in the church but finding

faith in Christ The reason for this is that I began finding answers to some of the most elusive questions about God Something is preventing God from doing all the good that he would otherwise want to do But here is the problem How can God have limitations If he has limitations then he must not be divine However there is one thing that could prevent a good all powerful God from doing all the good that he would otherwise want to do that would not detract at all from his omnipotence What this is and how it holds the key to unlocking some of the most perplexing mysteries of God is explained in this book *Tithing: Nailed to the Cross* A. Bruce Wells, 2011-05-17 TITHING NAILED TO THE CROSS is a book that cuts through all the opinions traditions superstitions imagined benefits and false doctrines to clearly and doctrinally explain the absence of tithing in the New Testament Bruce plainly teaches why tithing is not required after the Resurrection the beginning of the New Testament how tithing can interfere with sonship faith and even salvation and how tithing can expose you to the curse of the Law causing health financial marital and many other problems Wouldnt it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use Wouldnt you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row And wouldnt it be nice to have a royal ring put on your finger a kingly robe placed on your back and a big hug of approval without having to sleep in the bunk house as a servant until its decided that you can be trusted We may call it an act of faith obedience doing the Word good stewardship or what ever we want but at the end of the day it is nothing more than an obsolete Old Testament ordinance that will only frustrate the grace of God as Paul taught in Galatians As circumcision became nothing under the New Covenant likewise tithing is no longer obligatory So will you choose to develop a shaky faith based on the works of an Old Testament law that never should have been carried over to the New Testament Or will you choose to develop a resolute faith that is based on Jesus immutable work at the cross which included the removal of Malachis ordinances tithing Will you go with the crowd or the truth
