The Red Cloak Days Of The Guardian Volume :

The War Of The Firstborn - Eden's Guardian Vol. 1 A. e D. FONTANA,2023-08-01 At the end of the last ice age a scientific expedition from the planet Thuban arrived on Earth with the purpose of classifying the planet They landed in an area of the Persian Gulf which is now submerged A young Kabyriana named Aalia Elkal supervised the High Commission for Eden Planets However not everything went as planned and instead of studying ecosystems large scale genetic experiments were conducted Nothing was as it seemed The creation of a powerful and immortal race by the Creator Fathers could lead to the extinction of the human species

The Complete Works of Washington Irving in One Volume Washington

Irving,1834

Under the Red Robe Stanley John Weyman,1894

The complete works of Washington Irving in one volume with a memoir of the author Washington Irving,1835

The Complete Works of Charles Dickens (in 30 Volumes, Illustrated) Charles Dickens,2009-01-01

It is impossible to overstate the importance of British novelist CHARLES DICKENS 1812 1870 not only to literature in the English language but to Western civilization on the whole He is arguably the first fiction writer to have become an international celebrity He popularized episodic fiction and the cliffhanger which had a profound influence on the development of film and television He is entirely responsible for the popular image of Victorian London that still lingers today and his characters from Oliver Twist to Ebenezer Scrooge from Miss Havisham to Uriah Heep have become not merely iconic but mythic But it was his stirring portraits of ordinary people not the upper classes or the aristocracy and his fervent cries for social moral and legal justice for the working poor and in particular for poor children in the grim early decades of the Industrial Revolution that powerfully impacted social concerns well into the 20th century Without Charles Dickens we may never have seen the likes of Sherlock Holmes Upton Sinclair or even Bob Dylan Here in 30 beautiful volumes complete with all the original illustrations is every published word written by one of the most important writers ever The essential collector s set will delight anyone who cherishes English literature and who takes pleasure in constantly rediscovering its joys This volume contains Part I of Nicholas Nickleby Dickens s third novel which was serialized in standalone installments from April 1838 to October 1839 A highly entertaining example of Dickens s particular humor it is the story of a young London man left to support his mother and sister after his father dies Rife with both social satire and romance it is beloved by Dickens fans to this day
