Popular author and HuffPost blogger Good for use by individuals or groups Whether we realize it or not how we respond to life s opportunities and challenges to other people and to ourselves depends upon the stories we tell about ourselves Too often we tell distorted stories drawn from painful experiences or internalized from others critical voices These fake stories diminish our dreams damage our relationships and fill us with fear and self blame Research shows that people yearn for personal experiences of the holy and Jake Owensby begins by inviting readers to re imagine Jesus as friend and lover He then turns to encouraging readers to hear and tell how Jesus would express their story and the stories of others Jesus story about us is our true story the gospel the story of the beloved It helps us experience the richness of life see the stranger as friend and make a difference in the world Useful for both personal spiritual practice and group studies Your Untold Story will help expand the soul by engaging imagination and deepening relationships among group members It is a discipleship tool that will aid any individual or group of spiritually minded people The missional church requires well formed disciples here is a resource to help in that process      **Behind the Book** Chris Mackenzie Jones,2018-03-23 One of Poets Writers Best Books
