

Independent Auditor's Report to the Victorian Auditor-General's Office

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of the Victorian Auditor-General's Office, which comprises the statement of financial position as at 30 June 2018, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the accountable officer's declaration.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of the Victorian Auditor-General's Office as at 30 June 2018 and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and the Financial Management Act 1994.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the 'auditor's responsibilities for the audit of the financial report' section of our report. We are independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Auditor-General is responsible for the other information. The other information comprises the information in the Victorian Auditor-General's Office's annual report for the year ended 30 June 2018, but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the other information we are required to report that fact. The annual report is expected to be made available to us after the date of this independent auditor's report.
