COACH/TRANSIT BUS

Important: This updated study guide (DL 142 – July 1, 2014) replaces the study guide published in the Virginia Commercial Driver's Manual. Knowledge of hydraulic brakes is required if the vehicle is equipped with hydraulic brakes.

During the actual tests, you will be expected to point to or touch each of the parts of your vehicle listed below. Name the part and explain what damage or problems you might find. The types of damages or problems are listed below and in the vehicle inspection section in the CDL Manual.

Note: All tires touching the ground on one side of the vehicle must be inspected.

This study guide cannot be used during the actual pre-trip inspection portion of the skills test.
