Windows 7 David Pogue, 2010 In early reviews geeks raved about Windows 7 But if you re an ordinary mortal learning what this new system is all about will be challenging Fear not David Pogue s Windows 7 The Missing Manual comes to the rescue Like its predecessors this book illuminates its subject with reader friendly insight plenty of wit and hardnosed objectivity for beginners as well as veteran PC users Windows 7 fixes many of Vista s most painful shortcomings It s speedier has fewer intrusive and nagging screens and is more compatible with peripherals Plus Windows 7 introduces iPad: The Missing Manual J.D. Biersdorfer, 2012-04-11 Apple s third generation iPad has a new razor sharp Retina display and a robust processor that will dazzle you with their looks and speed but you won t get far without an owner s manual to all the tablet s features This comprehensive guide shows you how to transfer media to your iPad sync and shop wirelessly tap into WiFi and 4G cellular networks and use iTunes for media management The important stuff you need to know Build your media library Fill your iPad with music photos movies TV shows games eBooks and more Sync wirelessly Keep your iPad s apps media and email messages current without cabling up Capture stunning images Take photos and HD video with the tablet s new 5 megapixel iSight camera Get online Connect via WiFi or the blazing fast 4G LTE cellular network and create a free Wi Fi hotspot with Verizon s iPad Take dictation Speak email messages and notes and have the iPad type them up Verizon Untethered Ivan Seidenberg, 2018-05-01 The Verizon leadership team stands apart from most leadership teams today in their willingness repeatedly to put the enterprise before the individual At first blush this might look like a hopelessly old fashioned notion in the age of the selfie Yet I would argue this is a trait that future leaders and boards of directors across industries would do well to understand and embrace Seidenberg not once but twice in the service of company shareholders and employees subordinated himself and put off taking sole leadership of the company to advance the enterprise s odds of success And many others in this story exhibited the same trait to help build this industry leading enterprise They understood that the risk of not acting and thereby destroying value during a period of accelerating technological change and industry consolidation a situation faced by leadership teams around the world today was much greater than the risk of stepping in as No 2 or co CEO In my 50 years of experience it is a rare leadership team that will subordinate itself for the benefit of the

industry customers and the company That principle that the company comes first the individual second is what will define successful leadership teams of the future Multiple leadership principles some new some timeless emerge from this narrative and will be of great use to the next generation of leaders across industries and around the world By taking a look at a company that successfully executed exponential transformation we can take the strategies of Verizon leaders and apply them to our own experiences Ram Charan
