Glover,2007-07

How do you fix your troubled adolescent After years of working as an in home therapist and probation officer author William Glover grew frustrated with the conventional wisdom that said medication and or therapy offered the only hope for angry defiant unmotivated ADHD ADD oppositional defiant drug involved juvenile court involved and behaviorally handicapped kids Based on his work with adolescents and their parents he became convinced that the solution for the majority of troubled kids resided not with the professionals but with the parents of these children With this as a starting point Glover began developing The Adolescent Owner s Manual a unique and effective resource designed to provide parents with the practical common sense tools and skills essential to parenting troubled adolescents

### **YOU: The Owner's Manual for Teens**

Michael F. Roizen, Mehmet Oz, 2011-06-07 A few years ago we wrote YOU The Owner s Manual which taught people about the inner workings of their bodies and how to keep them running strong But you know what There s a big difference between an adult s body and your body between adults health mysteries and your health mysteries between their questions and your questions So teens this book is for YOU We ll talk to you about the biological changes that are happening in your brain and your body We ll show you how to get more energy improve your grades protect your skin salvage more sleep get fit eat well maximize your relationships make decisions about sex and so much more In fact in these pages we answer hundreds of your most pressing health related questions And you know what else We are going to treat you like adults in one very important way We re not going to preach We re going to give you straight up information that you can use to make smart choices about how to live the good life and enjoy every second of it Starting right now

### *Owner's Manual (Homo Sapiens)* Frank

Losik, 2015-09-08 Unfortunately we human beings do not come with a ready made Owners Manual to guide us through our individual life journeys So we are left with the task of finding or creating one of our own This book is the result of the authors own personal search for just such a set of guidelines He offers it to you the reader as a possible starting point for your own personal search Owners Manual Homo Sapiens is a step by step guide designed to help the serious traveler on the journey of life to identify his or her life goals to create a plan for achieving them and to begin putting those plans into effect It is written in plain every day language and is broken down into bite sized easy to digest chapters The book is divided into a number of segments It begins with The Basics which suggests an overall life goal of personal happiness and provides a review of the underlying principles of human development Next comes three segments that help the reader to begin to find the answers to three important questions Who am I which uses a brief quiz game to identify the readers personality type What do I want which uses a short fill in the blanks worksheet to clarify values and How can I get it which provides a detailed blueprint to aid personal development
