Guide to Venezuela Janice Bauman, Leni Young, 1988-02-01 [Venezuela - Culture Smart!](#) Russell Maddicks, Culture Smart!, 2012-10-01 An influential oil producer with a colorful and charismatic president at its helm since 1999 Venezuela is a vast sometimes frustrating but never dull country It is one of the most complex countries in Latin America and one of the least understood An ambitious attempt to benefit the poor and redistribute oil wealth by President Hugo Chavez has seen a major political transformation in recent years that has put a severe strain on its traditional ties with the USA He has made steadfast attempts to confront his powerful northern neighbor and reduce Venezuela's economic dependence on the United States However Miami remains the top holiday destination for Venezuelans traveling abroad baseball beats soccer as the preferred sport and teenage girls still cover their bedroom walls with American idols like Justin Bieber Venezuelans are known for being friendly gregarious and outgoing They value family over everything and love to criticize the status quo but they are also fiercely proud and protective of their homeland and react poorly to criticism of their country from outsiders Culture Smart Venezuela takes you beyond the stereotypical descriptions of a tropical petro state famous for its beauty queens and its populist president to provide you with an insider's understanding of the country and its people Practical tips valuable insights and vital statistics will help you get to the heart of this vibrant sometimes contradictory and increasingly important country *Venezuela Handbook* Alan Murphy, Dan Green, 2003 A comprehensive updated guide to Venezuela from Angel Falls to the Caribbean It includes highlights and colour maps practical advice on outdoor activities such as scuba diving and white water rafting and comprehensive practical information on where to eat and drink and staying healthy
