Literacies in Language Education Kate Paesani, Mandy Menke, 2023. Some pedagogists have struggled with what they see as a lack of literacy among learners immersed in the communicative approach to learning and how to bridge this gap as learners reach the upper levels. *Literacies in Language Education* introduces and provides practical guidance on how to teach world languages using a multiliteracies approach which focuses on critical engagement with texts and intercultural development to further language learning. Melding the sometimes conflicting interests in language departments of literature and linguistics, the authors embrace an expanded understanding of literacies to capture the dynamism of language and its contexts of use. The importance of preparing students to interact with the range of text types they will encounter in their academic workplace and personal lives and the multicultural and multilingual landscape of secondary and postsecondary language classrooms. The book provides clear and practical guidance about what the approach is, its benefits and how to create curricula for it, how to use the approach in teaching and how to train teachers to use the approach. Each a key access point to pedagogical change. This book provides teachers and program admins immediate steps to take toward designing and implementing this approach in their classes and curricula. The authors are well known in this area for their teacher training at CARLA, a well-respected center at the U of MN. CARLA hosts multiple workshops on the topic annually and is invited to do so around the country. They will adopt this book in those workshops.

Designing Problem-Driven Instruction with Online Social Media Kay Kyeong-Ju Seo, Debra A. Pellegrino, Chalee Engelhard, 2012-02-01. *Designing Problem-Driven Instruction with Online Social Media* has the capacity to transform an educator's teaching style by presenting innovative ways to empower problem-based instruction with online social media. Knowing that not all instructors are comfortable in this area, this book provides clear systematic design approaches for instructors who may be hesitant to explore uncharted waters and offers practical examples of how successful implementations can happen. Furthermore, it is a reference for instructors who need to solve issues that occur when developing a class utilizing problem-driven instruction with online social media. With the recent exponential growth of Twitter

and Facebook the potential for social media as an educational venue brings an urgent call for researchers to increase their concentration in this area to investigate further the educational possibilities of this format These factors combined illustrate the mission of this book that is to enable instructors in the areas of instructional design multimedia information science technology and distance learning to have an evidence based resource for this underexplored niche in instruction Tomas: Cowboy Homecoming Linda Warren,2012-11-27 Marine Staff Sergeant Tomas Tuf Hart is beginning to understand why they say you can never go home again Still grappling with the mental scars of battle Tuf s just learned that Thunder Ranch is in trouble Now the Harts are banking everything on their stallion Midnight winning the National Finals Rodeo The only easy part of Tuf s homecoming was falling for his high school crush all over again Cheyenne Sundell has always been drawn to Tuf But as a single mom of twin daughters she s wary of getting involved especially with another military man Cheyenne s disastrous marriage taught her that war changed men and not always for the better Tuf and Cheyenne have been through hell and back But with a little hope and a lot of holiday spirit they just might find a way to heal themselves and each other P 4 of cover
