## **Nicu Survival Guide For Nurses:**

*A Premie Parent's Survival Guide to the NICU* Megan Grandinetti, 2014 A Premie Parent's Survival Guide to the NICU details the journey of Megan Grandinetti and her husband during their NICU stay with their daughter Sofie. Sofie was born at 26 weeks and stayed for a tumultuous 5 months in the hospital. Megan gives new parents of preemies pieces of advice she wishes she had been told coming into the NICU. Through 18 personal tips, Megan paints a colorful overview of Sofie's time in the hospital and the things she feels were critical to her family's success.

**New Nurse's Survival Guide** Genevieve Chandler, 2009-12-18 Your transition from nursing student to practicing nurse begins here. Packed with real-life examples and indispensable advice from novice nurses and staff development experts, *New Nurse's Survival Guide* is the single best book available on how to get the job you want and become the nurse you aspire to be after you graduate from nursing school. You'll learn exactly what you must know and do in order to stand out from all the other new graduates and make yourself irresistible to employers in even the most challenging job market. And you'll find out what it really takes to thrive, not just survive, during your first year on the job. Land a great job in any economy by learning what you can do to gain on-the-job experience while you are still in school. How to prepare for your job search interview and orientation. What hospitals are looking for and what you need to bring to the table. How you can demonstrate that you are a nurse that takes the initiative. How to demonstrate leadership to potential employers.

*A Clinician's Survival Guide to Leadership and Management on the Ward - E-Book* Brian Dolan, Amy Lochtie, Krishna Gohil, 2024-04-06 When you become a ward or unit manager or allied health professionals team leader, your responsibilities change and you need a very different set of skills compared with your previous roles. You are now required to manage a team of staff with a set budget and are responsible for maintaining an environment in which people can work together efficiently and effectively. This new fourth edition of the *Survival Guide to Leadership and Management on the Ward* welcomes AHP Krishna Gohil to the author team of nurses Brian Dolan and Amy Lochtie and thereby extends its guidance on these crucial skills to both nurses and allied health professionals. This book will help you to identify your responsibilities and best approaches as a manager to provide patients with a high standard of care through your staff. Become an even better leader through highly practical examples, suggestions, and tips. Manage your staff, time, and budget. Create a positive work environment. Familiarize yourself with the new Nursing and Midwifery Council and Health and Care Professions Council standards. Focuses on both nursing and allied health professionals who are in the role of ward managers, unit managers, or team leaders or aspire to be so. Significantly builds on how to understand your role, work with different generations in the workplace, and manage difficult situations. Includes greater emphasis on self-care and self-compassion for leaders and managers. Covers leading teams in the context of enduring financial and staffing constraints.
