Starting with the top ten things users need to know about the camera, author Rob Sylvan carefully guides readers through the operating features. Readers get practical advice from a pro on which settings to use when, great shooting tips, and end-of-chapter assignments. *From Snapshots to Great Shots* is a beautiful how-to photography series that provides the perfect blend of instruction, inspiration, and reference for specific camera models and photography concepts. Featuring a clear, elegant design, outstanding images that educate and inspire, and a friendly, accessible voice, this series helps photographers get great shots every time they pick up their camera.
