

A person's silhouette is visible in the foreground, looking out over a landscape at sunset. The sun is low on the horizon, creating a warm, golden glow across the sky and the distant hills. The person's head and shoulders are in shadow, contrasting with the bright background.

Faith for the Journey Carol Blair, 2016-02-09 When her husband died suddenly on New Year's Eve Carol was left to raise their six boys ages 11 months to 16 years That night she made a promise to God if He provided for her and the boys the way He promised in His Word she would go anywhere He sent her and tell others of His care But if He didn't she would burn her Bible on the front lawn and tell any onlooker that it was just a book of pretty words and pious phrases that wasn't true when you needed it to be God not only provided but had a big surprise He sent her across the globe to share her story Carol was then given an unexpected career in television and radio as host and producer and later a new husband Faith for the Journey tells firsthand the life changing things that can happen when you trust God with all your heart

His Familiar Voice Dale R. Minor,2022-08-01 The idea that a flesh and blood person can have a conversation with God who is Spirit can present a variety of misconceptions as well as a whole lot of doubt While believers are taught to communicate with God through prayer the fact is that some folks can go a lifetime thinking of prayer as a one sided conversation His Familiar Voice provides testimony of God s ongoing conversation with us as we become more and more aware of who He is and how He works in our lives The realization that God communicates with us in all situations using all our senses can open up avenues to a deeper relationship with the Lord and an enhanced awareness of who we are as children of God By developing a pattern of ongoing conversation

with the Lord we learn to recognize His voice and find it ready comfort and trusted guidance in every situation **The Spirit Fighter** Dana Benson,2019-06-11 Truly truly I say to you do not conform to the pattern of this world but be transformed by the renewing of your mind Then you will learn to know God s will for you which is good and pleasing and perfect For now we see in a mirror dimly but then face to face now I know in part but then I will know fully just as I am fully known *Spirit-Driven* Kathleen Lizardi-Calhoun,2017-11-21 God is accessible to all those who seek Him Enter the chamber room of God as you are One present moment with the Eternal Presence brings transformation power that cannot be acquired by our own strength but through His grace Heaven unleashes all its resources in order for us to live a victorious life and overcome anything that holds our soul captive We enter the throne room of our Heavenly Father and through the righteousness of Christ we can claim all that the Son won for us on Calvary The 6 Marks of Progressive Christian Worship Music Bryan J. Sirchio,2012-08-30 Something about the lyrics of many of the hit contemporary Christian worship songs is at best problematic for many clergy persons in mainline denominations Sometimes the songs are downright offensive theologically to the pastor Often the problem is rooted in a theological nuance or doctrine that the pastor does not embrace Sometimes these contemporary worship songs use too many Christian buzz words or clichés or phrases that the pastor deliberately avoids in every other aspect of the liturgy Often the problem is that the new songs show no sensitivity at all to things like inclusive language or the theological challenges of doctrines like penal substitutionary atonement Sometimes the pastors feel that most of these new songs lack substance that theyre too sugary too individualistic and too other worldly Sometimes theres an emotional tone to this contemporary worship music that might work well in another kind of church but which just doesnt feel authentic in a traditional or mainline congregation Now I would imagine that at least some of you began to glaze over a bit as you attempted to read those last few paragraphs Or maybe you didnt fully understand some of the terms I just used If so dont worry thats why I wrote this book If you have no idea what things like penal substitutionary atonement or inclusive language are about this book will help you understand what these terms mean and why its important to your pastors for you to know your way around these issues and concepts a bit as you seek new songs to bring into the worship life of your congregation And I promise Ill do my best to use down to earth language that youll be able to easily understand without a seminary education **Divine Intuition** Lynn A. Anderson, 2019-07-30 A theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God's Trinitarian union the fall God's fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters Into His Presence is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture *The Medieval Heart* Heather Webb, 2010-01-01 Heather Webb studies medieval notions of the heart to explore the lost circulations of an era when individual lives and bodies were defined by their extensions into the world rather than as self-perpetuating self-limited entities Drawing from the works of Dante Catherine of Siena Boccaccio Aquinas and Cavalcanti and other literary philosophic and scientific texts she reveals medieval answers to such fundamental questions as Where is life located What does it consist of Where does it begin And how does it end Against the modern idea of the isolated self the medieval heart provides a model for rethinking the body's relationship to the world it inhabits Bible Lyrics Rev.
