Cairney,2010-11-18 It may sound contradictory to be a leader in the military and a follower of Jesus Christ but if you commit yourself to following God first He will work through you as a leader to accomplish His will in amazing ways It is no accident that you are where you are as a leader in the military God knows what he wants to accomplish through you The Holy Bible has much to say to you as a leader in today s military There are many books on military leadership and many books on Christian leadership but this book explores that amazing challenge if you want to serve God and excel as a leader in the Armed Forces While this book looks at military leadership in particular any novice or experienced leader in any field can apply the Biblical leadership principles explored here in this book God s Word speaks volumes to leaders who want to fully live the life God has called them to even in such a challenging environment as the battlefield Read on What you find might surprise you *You Can Lead Effectively!* Mathew Philip,2008-05 Recent years saw the publication of scores of books on leadership both in Christian circles and in the secular world of politics and business But this book fills in some gaps and will be a valuable addition to them It is written in a style and format that is very reader friendly The ideas are communicated well This book could serve as a good textbook in classes on leadership in theological institutions Back cover
