From beginning to end you will be swept up and take part in his journey from the frightened little child and his devastating
experiences to a lonely lost adult who among other harsh awakenings dealt with being in the military and visiting places such
as concentration camps It was all too overwhelming At a certain point he had to find a way and a community of people to help
him accept perfect and ultimately use these gifts to help countless people who were grieving the loss of loved ones He did
this through his ability to communicate with the afterlife This is not just another book on mediums This is a real life story of a
man who humbly and honestly shares in detail his painful and tormented journey from a haunting helpless childhood to
mastering his uncanny capabilities You will absorb and understand what his gifts are and how they work You will read in
