**Soul Existence Revealed Volume 1** Blueangel Publications, 2008      [The Broken Hearts Manual](#) George Anthony

Marchiando, 2014-12-02. George Anthony Marchiando's *The Broken Hearts Manual* is a passionate dedication to everyone who has a broken heart. In his first published work, Marchiando dedicates his poems to his wife, Theresa Marchiando, his soulmate. He appreciates the way that she keeps him coming back to reality when he's gone. Exploring memories of fierce love and tragic loss, this book serves as a firsthand account of the initial blow and lingering sting of heartbreak. This tale of poems also speaks to the personal significance that nature and faith have held throughout his life, as Marchiando describes the ways in which his exploration of love has been influenced by both his admiration for the wilderness and his relationship with God. The simplicity of Marchiando's language allows his message to resound with poetry lovers of any caliber. His accounts of loss are intimate; however, this work is threaded with the internal turmoil experienced when coping with great loss, an emotional obstacle that is universal.
