*Community Connections! Relationship Marketing for Healthcare Professionals* Kelley S. Pendleton DC & MPH, 2014-09-15 Whether you're a chiropractor, medical doctor, massage therapist, veterinarian, acupuncturist, or any other provider of a healing art, you've undergone intensive training and developed valuable skills. However, traditional healthcare curricula may not address the critical areas of business, finance, and marketing. Proficiency in these skills, especially marketing, can help your practice succeed and allow you to genuinely connect with your communities. Written by a healthcare professional for healthcare professionals, *Community Connections* is the first in a series of books designed to bridge the gap between what you're taught in school and how to market a practice in the real world. Using this collection of easy and affordable marketing ideas, any independent healthcare provider can forge a strong and genuine connection with potential clients regardless of any previous marketing experience. This guide is all about building the unique relationship between a healthcare provider and the local community while respecting the specific professional and legal issues inherent in that relationship. Whether you're a veteran in the healthcare industry or just getting started, *Community Connections* contains the valuable advice and practical marketing ideas you need from the reasons most healthcare practices don't market to gaining a deeper understanding of yourself and your community at large. Discover how implementing easy and affordable marketing activities can expand the success of your healthcare practice.

**Special Events** Alan L. Wendroff, 2004-04-13 As the philosopher Martin Buber wrote, "All real living is meeting." People like to get together. That's why special events can often work so much better for nonprofit organizations than other, less social types of fundraising programs. From red carpet galas to Saturday afternoon street fairs, special events offer nonprofits an unparalleled opportunity to both raise money and make friends. Yet for all the benefits, they are great inexperience and bad planning can make these events more trouble and a greater financial drain than they are worth. *Special Events: Proven Strategies for Nonprofit Fundraising*, Second Edition, is the complete guide to making your next nonprofit event the rousing success it can be. Packed with author and development professional Alan Wendroff's realistic insights and pointers, this text provides a logical and comprehensive outline of event planning with a special emphasis on fitting these events into the larger framework of the nonprofit's organizational goals. Inside, you'll find such helpful tools as: Seven goals for a successful event; The Master Event Timetable (METT), a proven organizational tool that provides step-by-step guidance through the entire event process; A case study explaining in understandable detail how to implement the advice and methods outlined; An accompanying CD that includes sample timelines, worksheets, checklists, budgets, writing examples, decision tables, and contracts. From choosing the right event to the best way of expressing thanks afterwards, *Special Events* covers all aspects of producing a winning fundraiser for your organization. In addition to the brass tacks of managing logistics, the coverage includes thoughtful discussions on how to take full advantage of the networking, volunteer recruitment, public relations, and motivational opportunities your special event can

provide This updated Second Edition features new information in these areas plus an entirely new chapter on using the Internet for event planning With the needs of nonprofit organizations only growing as donations shrink special events become more and more vital in sustaining the life of these organizations Nonprofit lay leaders professionals and staff as well as marketing professionals and event planners who work with nonprofits will all find in *Special Events Second Edition* a clearly drawn road map leading to fundraising success *199 Fun and Effective Fundraising Events for Nonprofit Organizations* Eileen Figure Sandlin, Richard Helweg, 2010 Suggests one hundred ninety nine events to raise money for nonprofit organizations including 50 50 raffles cakewalks dunk tanks money trees rummage sales ballroom dance lessons walking billboards and bachelor auctions **Events Management** Glenn Bowdin, Johnny Allen, Rob Harris, Ian McDonnell, William O'Toole, 2012-05-23 Events Management is the must have introductory text providing a complete A Z of the principles and practices of planning managing and staging events The book introduces the concepts of event planning and management presents the study of events management within an academic environment discusses the key components for staging an event covering the whole process from creation to evaluation examines the events industry within its broader business context covering impacts and event tourism provides an effective guide for producers of events contains learning objectives and review questions to consolidate learning Each chapter features a real life case study to illustrate key concepts and place theory in a practical context as well as preparing students to tackle any challenges they may face in managing events Examples include the Beijing Olympic Games Google Zeitgeist Conference International Confex Edinburgh International Festival Ideal Home Show and Glastonbury Festival Carefully constructed to maximise learning the text provides the reader with a systematic guide to organizing successful events examining areas such as staging logistics marketing human resource management control and budgeting risk management impacts evaluation and reporting fully revised and updated content including new chapters on sustainable development and events perspectives on events and expanded content on marketing legal issues risk and health and safety management a companion website [www.elsevierdirect.com](http://www.elsevierdirect.com) 9781856178181 with additional materials and links to websites and other resources for both students and lecturers
