Sponsorship Form for Temporary Entry

Supporting information for a visitor visa, work visa or student visa application

Who can be a sponsor?

To be a sponsor you must be:

- a New Zealand citizen or the holder of a New Zealand residence class visa (if you are the holder of a resident visa that is subject to conditions under section 49(1) of the Immigration Act 2009, you are not eligible to be a sponsor), or
- an organisation, including New Zealand registered companies, incorporated societies, and charitable trusts, or
- a government agency, including government departments and crown entities.

Supporting your partner

If you want to support your partner (whether married, in a civil union or a de facto partnership) to come to New Zealand, you must complete the *Form for Partners Supporting Partnership-Based Temporary Entry Applications* (INZ 1146). Depending on your partner's circumstances, you may also be required to financially sponsor them. The immigration officer will let you know if this is the case.

Requirements for specific sponsors

Organisations and government agencies can sponsor someone applying for:

- a visitor visa, or
- a student visa, or
- a work to residence visa under Talent (Arts, Culture and Sports), or
- a work visa under Foreign Crew of Fishing Vessels.

If you are a New Zealand citizen or resident sponsoring a student, you must be a relative or a friend of the student.

If you are sponsoring a work to residence visa, you must complete the form *Talent (Arts, Culture and Sports) Sponsorship Form* (INZ 1091).

If you are sponsoring a work or resident visa under the Religious Worker Temporary Entry or Residence Instructions, you must complete the form *Sponsorship Form for Religious Workers* (INZ 1190).

Sponsor's responsibilities

When you agree to be a sponsor, you undertake and agree to:

- make sure the sponsored person has financial support for the duration of their stay (maintenance costs like food, clothing and health care – things necessary for their health and welfare while in New Zealand), and
- make sure the sponsored person has suitable accommodation for the duration of their stay (whether providing it directly or paying for it), and
- guarantee to provide the cost of return airfare for the sponsored person, if they do not have the means to pay themselves (or refuse to pay for it), and
- guarantee to provide the costs associated with the sponsored person's deportation if they are deported (costs like locating, detaining and maintaining the person, as well as travel costs), and
- (optional undertaking) guarantee to provide the cost of maternity health services in New Zealand if the sponsored person is pregnant and intending to give birth in New Zealand.

When you agree to be a sponsor, you are responsible for the sponsored person from the day they arrive in New Zealand until the day they get a new visa with a different sponsor or no sponsor, or the day they leave, whether they are on a valid visa or in New Zealand unlawfully. You cannot withdraw your sponsorship. If you sponsor a multiple entry visa, you are responsible every time they are in New Zealand with that sponsored visa.
